Traveller Ambulances flagged off by Dy. CM Ajit Pawar for Pune

Pune, May 28, 2021- Deputy Chief Minister Shri Ajit Pawar and Health Minister Shri Rajesh Tope today deployed a fleet of Traveller Ambulances to improve the district's response in the ongoing fight against Covid-19 pandemic. Under this initiative, Force Motors has delivered over 500 Traveller and Trax Ambulances in the past month and a half. These ambulances shall be stationed at Primary Health Centres across the state.

Speaking on the occasion, Mr. Prasan Firodia- Managing Director, Force Motors Ltd. said, "We appreciate the initiative taken by the State Govt. to strengthen the healthcare system during the pandemic. We are happy that the Govt. of Maharashtra reposed their trust in the proven and reliable Force Traveller and Trax Ambulances".

The Force range of Ambulances owe their outstanding performance on account of their Mercedes derived power trains that deliver best-in-class power and torque which enables it to move critical patients to the hospitals within the golden hour. The all-terrain capability of the Trax and Traveller Ambulances is derived from the best-in-class ground clearance and sturdy design of the axles and suspension. All these qualities ensure the Force Trax and Traveller Ambulances are able to service even the remotest locations of the state.

These Ambulances are backed by a network of fully equipped authorized service centres spread across the state, complete with company trained technicians and ample stock of reasonably priced genuine spare parts.

About Force Motors Limited

Force Motors, was established in 1958 by Shri N. K. Firodia, with the vision to provide affordable commercial transport for the masses by harnessing the best available technology and offering economical, reliable and efficient products.

Today, Force Motors is a fully vertically integrated automobile company manufacturing automotive components, aggregates, vehicles and agricultural tractors. Its **'Traveller'** and **'Trax'** vehicle ranges are **market leaders** in their respective segments.

Force Motors is the flagship of the company group headed by Dr Abhay Firodia which has 15 manufacturing units across the country and a 14,000-strong workforce.

Force Motors is the only company in the world that produces engines for both Mercedes and BMW. In March 2018, it entered into a JV with **Rolls-Royce** Power Systems AG to manufacture in India and supply worldwide their 10/12 cylinder S1600 engines (545 to 1050hp) for power generation and under floor rail applications.
