

RESET REALIGN RISE

ONE JOURNEY.
ENDLESS POSSIBILITIES.

ANNUAL REPORT
2025-26

The pioneering vision of Shri Navalmal Kundanmal Firodia laid the foundation of an industrial enterprise built on innovation, resilience and nation-building.

As the Dr. Abhay Firodia Group marks 80 years of this remarkable legacy, Force Motors continues to build on those principles through a transformation that is strengthening the business for the future.

'Reset Realign Rise'

captures the essence of this journey. Together, these three pillars provide the strategic framework through which we are strengthening our business, aligning our organisation for the future and driving sustainable growth. They continue to shape the way we make decisions, respond to change and create long-term value through innovation, operational excellence and resilience.

YEARS OF
LEGACY.
FUTURE READY.

Built on values. Driven by purpose.

RESET:

More than a strategic course correction, Reset reflects our resolve to challenge convention, sharpen our priorities and build on our core strengths. It represents a conscious shift towards businesses where Force Motors possesses distinctive capabilities, competitive advantage and the ability to create sustainable value. By strengthening the fundamentals of the business, adopting a disciplined approach to capital allocation and focusing on profitable growth, we have laid the foundation for a stronger and more resilient organisation.

REALIGN:

Realign represents the next phase of our transformation - aligning our strategy, operations, people and technology with the evolving needs of customers and the future of mobility. It reflects our commitment to digital transformation, manufacturing excellence, sustainability, organisational agility and stronger governance. By creating greater alignment across the organisation, we are building an enterprise that is more responsive, collaborative and prepared to seize emerging opportunities.

RISE:

Rise represents the outcomes of this transformation - translating strategic intent into stronger business performance, enhanced customer confidence and sustainable long-term growth. It reflects our ability to convert these efforts into measurable outcomes through improved financial performance, expanding global presence and continued product innovation. As we strengthen our leadership across key segments while deepening our presence in premium mobility, we continue to create value for customers, partners, employees and shareholders alike. Rise is therefore not merely about growth in scale, but about growing responsibly, competitively and sustainably.

Together, these three pillars have enabled Force Motors to strengthen its market position and deliver its strongest-ever performance in FY2025-26. More importantly, **'Reset Realign Rise'** is not a destination, but a continuous cycle of improvement - one that encourages us to constantly reassess, adapt and evolve in response to a changing business environment. As a long-term strategic framework, it will continue to guide the Company's evolution, ensuring that growth is built on resilience, innovation and operational excellence.

TRIBUTE TO THE FOUNDER

SHRI NAVALMAL KUNDANMAL FIRODIA

A freedom fighter, industrialist and philanthropist - was a nationalist visionary whose ideas were far ahead of his time.

With academic foundations in Science and Law, he combined analytical thinking with a deep sense of ethics and purpose, shaping a lifelong commitment to nation-building through industry.

A VISIONARY AHEAD OF HIS TIME

An active participant in Mahatma Gandhi's Non-Cooperation and Quit India movements between 1932 and 1944, he spent four years in prison for India's freedom struggle. As the nation prepared for independence, he recognised that industrialisation would be fundamental to building a self-reliant India. Acting on this conviction, he left a successful legal practice to establish Jaya Hind Industries in 1946.

Driven by a vision to provide affordable and efficient mobility solutions for a newly independent India, Shri N.K. Firodia pioneered the concept of replacing the

traditional cycle rickshaw with a motorised alternative. In doing so, he not only developed the vehicle but also coined the term "autorickshaw" - a name that has since become synonymous with one of India's most ubiquitous modes of transport. He subsequently industrialised the autorickshaw through a joint venture between Jaya Hind Industries and Bachraj Trading, an enterprise that is today known as Bajaj Auto Ltd.

In the same year, he introduced the three-wheeled Tempo vehicle, laying the foundation for India's light commercial vehicle segment. This pioneering concept

was subsequently indigenised and scaled through Bajaj Tempo Ltd., now known as Force Motors Limited.

Building on this pioneering spirit, Shri N.K. Firodia founded Force Motors in 1958. Today, the company continues to carry forward his legacy of innovation, entrepreneurship and nation-building - one that has transformed mobility and helped shape the evolution of India's automotive industry.

FROM THE CHAIRMAN'S DESK

Over the years, one belief has remained constant for us - that lasting success is built by continually strengthening the fundamentals while remaining true to the values that define an institution

Dear Stakeholders,

Eight decades ago, our Founder, Shri Navalmal Kundanmal Firodia, laid the foundation of an organisation inspired by the conviction that industrial self-reliance would be fundamental to building a modern and progressive India. Over the past eighty years, that vision has evolved into the Dr. Abhay Firodia Group, with Force Motors at the forefront of carrying forward this legacy of engineering excellence, technological capability and nation-building. The values on which our Founder built this enterprise continue to guide the way we think, innovate and create value for our customers, partners and stakeholders.

I believe India today stands at another defining phase of its industrial and manufacturing journey. Sustained investments in infrastructure, expanding manufacturing capabilities and increasing integration with global value chains are creating new opportunities for Indian industry. This momentum was clearly reflected during FY2025-26, when commercial vehicle sales in India rose by 12.6% to 10,79,871 units, crossing the one-million mark for the first time. The automotive sector continues to be one of the strongest contributors to the country's progress, serving not only as an engine of economic growth but also as a catalyst for manufacturing excellence, technological advancement and employment generation. It is during such periods of industrial transformation that the strength of an institution's foundation is truly tested.

Over the years, one belief has remained constant for us - that lasting success is built by continually strengthening the fundamentals while remaining true to the values that define an institution. At Force Motors, we have never believed in pursuing every opportunity or chasing growth for its own sake. Instead, we have focused on patiently building capabilities, reinforcing our core strengths and making disciplined choices that create long-term competitiveness.

I see this belief reflected in the Force Motors we have built today. We have established leadership across our chosen segments, strengthened our position in premium mobility and built engineering and manufacturing capabilities that meet global standards. Our focus on differentiated mobility solutions, together with sustained investment in technology and manufacturing excellence, has reinforced the confidence of leading global automotive manufacturers in our capabilities, creating a stronger, more focused and future-ready organisation.

The performance of FY2025-26 validated this disciplined approach. In a year when the Indian commercial vehicle industry recorded its strongest-ever performance, Force Motors also delivered its best financial performance to date, with consolidated revenue crossing ₹9,000 crore and profit after tax increasing by over 50% compared to the previous year. While these financial milestones are certainly gratifying, what gives me greater satisfaction is the validation they provide - that disciplined execution, prudent decision-making and sustained investment in long-term capabilities continue to create lasting value.

As we look ahead, the mobility landscape will continue to evolve, driven by technological advancement, changing customer expectations and an

increasing emphasis on sustainable solutions. At Force Motors, we remain committed to evolving alongside these changes by strengthening our capabilities, advancing innovation and staying true to the values that have shaped us over the years.

I extend my sincere gratitude to our employees for their dedication, to our dealers, suppliers and service partners for their unwavering support, to our global collaborators for their continued confidence in our capabilities, to our customers for the trust they place in our products, and to you, our shareholders, for your steadfast faith in our long-term vision.

Warm Regards,

Dr. Abhaykumar Navalmal Firodia
Chairman, Force Motors Limited

MESSAGE FROM THE MANAGING DIRECTOR

Our product portfolio continues to be the strongest expression of our strategy. Rather than competing across every segment, we have consistently focused on creating differentiated mobility solutions that address evolving customer requirements.

Dear Stakeholders,

FY2025–26 was a defining year in Force Motors' journey. While it stands out as our strongest year on record, I see it as something more significant - the year in which years of purposeful transformation translated into measurable outcomes across every aspect of our business. The progress we have achieved is not the result of a single initiative or favourable market conditions alone. It is the outcome of a conscious effort to strengthen our fundamentals, sharpen our strategic focus and align the organisation with the opportunities that matter most.

Over the past few years, we have taken several difficult yet necessary decisions to prepare the company for long-term growth. We have focused on businesses where Force Motors possesses clear competitive strengths, invested in capabilities that will remain relevant over time and continuously improved the way we engineer, manufacture and

serve our customers. This disciplined approach has enabled us to build a stronger, more agile organisation - one that is better equipped to respond to changing customer expectations, navigate challenging business environments and create sustainable value for all stakeholders.

The results of these efforts were visible throughout FY2025–26. Revenue from operations crossed ₹9,000 crore for the first time, while consolidated profit after tax increased by over 50% to exceed ₹1,200 crore. Domestic wholesales grew by 20%, supported by broad-based demand, an improved product mix and better operating leverage. Equally satisfying was our ability to deliver these results while maintaining a debt-free balance sheet and preserving the financial discipline that has become a hallmark of our organisation.

Our product portfolio continues to be the strongest expression of our strategy. Rather than competing across every segment, we have consistently focused on creating differentiated mobility solutions that address evolving customer requirements. This philosophy has enabled Force Motors to build leadership positions across several of the segments in which we operate.

Traveller continued to reinforce this leadership, commanding over 70% market share in its segment and remaining the preferred choice across shared mobility, school transportation, ambulance services and institutional applications. Its continued success reflects the trust that customers place in the product and validates our focus on reliability, performance and total cost of ownership.

Urbania further strengthened its position as India's benchmark for premium shared mobility. The strong growth witnessed during the year reaffirms our belief that customer expectations are evolving beyond basic transportation towards superior comfort, safety, refinement and operating efficiency. Urbania represents this shift and reflects our long-term commitment to premiumization across the mobility landscape.

Trax, too, delivered another year of robust growth, particularly across rural and semi-urban markets. By identifying emerging customer needs and developing purpose-built mobility solutions, we continue to create new opportunities rather than merely compete in existing markets. This ability to anticipate changing mobility needs remains one of Force Motors' defining strengths.

Our growing presence in specialised mobility further diversified the business during the year. The commencement of deliveries under our defence programme marked another important milestone, demonstrating the confidence placed in Force Motors' engineering capabilities and our ability to deliver reliable mobility solutions for demanding applications.

Our manufacturing capabilities continue to be recognised by some of the world's most respected automotive companies. Our long-standing partnerships with BMW, Mercedes-Benz and Rolls-Royce Power Systems AG reflect the confidence these global leaders place in Force Motors' engineering expertise, manufacturing precision and unwavering quality standards. During the year, we also achieved the significant milestone of manufacturing the 100,000th engine for BMW India, reaffirming our ability to deliver world-class manufacturing at scale. Our

continued collaboration with these partners reinforces India's growing position as a globally competitive hub for advanced automotive engineering and manufacturing.

Alongside product and manufacturing excellence, we continued to strengthen the digital and organisational capabilities that will power our future growth. Under Project DigiForce, we are accelerating digital transformation through cloud-based CRM (Customer Relationship Management) and Dealer Management Systems (DMS), while expanding connected vehicle capabilities through Force iPulse. Together with Project Lakshya, which continues to strengthen leadership and organisational capability, these initiatives are enabling a more agile, customer-centric and future-ready Force Motors.

Just as we continue to invest in technology and people, we remain equally committed to building a more sustainable organisation. During the year, we increased the share of renewable electricity to 31%, reduced Scope 1 and 2 emission intensity by 21%, lowered water consumption per equivalent vehicle by 9%, and diverted more than 85% of our waste from landfill. These milestones represent meaningful progress towards our long-term sustainability commitments, including achieving 50% net renewable electricity by 2027, zero waste to landfill by 2030, and net-zero greenhouse gas emissions by 2050.

Looking back, what gives me the greatest satisfaction is not merely the scale of our achievements, but the strength of the foundation built over generations for the future. We have reinforced our leadership in core businesses, expanded into new growth opportunities and strengthened our capabilities across products,

manufacturing, technology and customer experience. As the mobility landscape continues to evolve, we remain committed to continuously improving every aspect of our business while investing in innovation, engineering excellence and sustainable growth. I am confident that this mindset will enable Force Motors to seize emerging opportunities and build an even stronger, more competitive organisation.

I extend my sincere gratitude to our employees for their dedication and commitment, to our customers for their continued trust, to our dealers, suppliers and business partners for their unwavering support, and to our shareholders for their continued confidence in Force Motors. Together, we look forward to building on the momentum of FY2025–26 and shaping the next chapter of our growth journey.

Warm Regards,

Prasan Firodia

Managing Director, Force Motors Limited

TRANSFORMING TO RISE

Force Motors Limited ('Force Motors', 'FML' or 'the Company') is a fully integrated automobile manufacturer with end-to-end capabilities spanning engineering, development and manufacturing of vehicles, aggregates and components. Its diversified portfolio includes light commercial vehicles, multi-utility vehicles and super-specialty vehicles, delivering purpose-built mobility solutions that address the evolving needs of industries, institutions and customers across domestic and international markets.

Guided by its strategic philosophy of 'Reset Realign Rise', Force Motors is strengthening its core business while building capabilities for the future. The Company is focused on creating a more resilient, agile and future-ready enterprise by resetting priorities towards profitable growth, while realigning its operations with emerging mobility trends. Force Motors continues to rise towards greater heights of excellence through innovation, manufacturing excellence and customer-centricity.

The Company's state-of-the-art Research & Development Centre in Pune is central to this transformation. The Centre drives product innovation, engineering excellence and technology-led solutions, creating a business proposition that is empowered to meet future needs.

Complemented by a highly localised manufacturing ecosystem, Force Motors combines global quality standards with the flexibility to develop market-specific products, serving customers across India and more than 25 countries in the Middle East, Asia, Latin America and Africa.

The Company is also a trusted manufacturing partner to some of the world's most respected automotive brands. Its High-Tech Aggregates Business manufactures and supplies advanced engines to BMW Group India, as well as engines and axles for Mercedes-Benz India. Through Force MTU Power Systems Private Limited, its joint venture with Rolls-Royce Power Systems AG, the Company also manufactures high-performance 10-cylinder and 12-cylinder Series 1600 engines at its advanced Chakan facility, the only facility in the world to manufacture these engines for the global market. These long-standing partnerships reflect Force Motors' advanced engineering capabilities, manufacturing precision and commitment to delivering world-class quality.

A Rich Legacy

Force Motors, established in 1958 by visionary industrialist Shri Navalmal Kundanmal Firodia, is the flagship company of the Dr. Abhay Firodia Group.

The Group, which marks 80 years of industrial excellence in 2026, is built on a legacy of innovation, resilience and nation-building. It has, through the years, evolved into a diversified automotive enterprise with capabilities spanning vehicle manufacturing, precision aluminium castings, high-technology tooling and power generation.

Today, this legacy continues to guide Force Motors as it resets its priorities towards sustainable and profitable growth, realigns its core capabilities with the evolving needs of mobility through innovation, operational excellence and digital transformation, and rises as a stronger, more agile and future-ready organisation. Anchored in this strategic framework, the Company remains committed to creating long-term value for its customers, partners, employees and shareholders.

MANUFACTURING EXCELLENCE AND GLOBAL PRESENCE

Manufacturing excellence lies at the core of Force Motors' 'Reset Realign Rise' journey, enabling the Company to build a resilient, agile and future-ready production ecosystem. By resetting its focus on operational efficiency, realigning manufacturing capabilities with evolving customer expectations and global quality standards, and rising through continuous improvement and engineering excellence, Force Motors continues to strengthen its competitive advantage across domestic and international markets.

The Company's integrated manufacturing ecosystem comprises five advanced manufacturing facilities and a robust nationwide sales and service network, structured to deliver reliable, high-quality mobility solutions at scale. These state-of-the-art plants cater to domestic demand while supporting exports to more than 25 countries across Asia, the Middle East, Latin America and Africa, reflecting Force Motors' growing global footprint.

Every manufacturing facility is certified to internationally recognised standards, including ISO 14001 for Environmental Management Systems, IATF 16949 for Automotive Quality Management Systems and ISO 45001 for Occupational Health and Safety Management Systems. Further reinforcing its commitment to quality and precision, the Material Testing Laboratory at the Pithampur plant is NABL-accredited, making Force Motors among the first Indian automotive OEMs

COMPREHENSIVE MOBILITY SOLUTIONS

Force Motors offers a comprehensive portfolio of mobility and engineering solutions, reflecting its commitment to purposeful innovation, operational excellence and customer-centricity. Guided by its 'Reset Realign Rise' strategy, the Company continues to strengthen its core businesses, align its capabilities with evolving mobility needs, and create sustainable value through advanced engineering, precision manufacturing and long-standing global partnerships.

The Vehicle Business delivers a versatile range of mobility solutions for passenger transportation, cargo movement, emergency response and specialised applications, purpose-built to address the diverse operating requirements of domestic and international markets. Designed with a strong focus on reliability, durability and performance, these solutions continue to evolve in line with changing customer expectations and industry trends.

The High-Tech Aggregates Business manufactures advanced engines and axles for leading global OEMs, including BMW Group India and Mercedes-Benz India, demonstrating Force Motors' engineering precision and manufacturing excellence.

Force MTU Power Systems Private Limited, the Company's joint venture with Rolls-Royce Power Systems AG, strengthens our global capabilities. It manufactures 10-cylinder and 12-cylinder Series 1600 engines at its advanced Chakan facility - the only manufacturing facility worldwide producing Series 1600 engines for the global market.

Our business verticals support our transformation into a future-ready, fully integrated automotive company with end-to-end capabilities that span advanced engineering, R&D, and precision manufacturing. Force Motors' remains a trusted Indian engineering and manufacturing partner for global automotive leaders, with whom the Company has lasting partnerships. Our business strength is rooted in excellence, precision, consistent quality, and dependable collaborations.

OUR PRODUCT OFFERINGS

Commercial Vehicles

Built around modular, scalable platforms, our commercial vehicles are designed to enable seamless people and goods' movement.

TRAVELLER N STRENGTHENING THE CORE

The introduction of the Traveller N range marks an important step in the continued evolution of one of Force Motors' most established and successful mobility platforms. Building on the Traveller's longstanding leadership, with a market share of over 70% in its segment, the new range reflects a renewed focus on strengthening our core. Traveller N brings meaningful advancements across the product while retaining the fundamental strengths that have made the Traveller a trusted choice across passenger mobility applications. It represents our approach to progress - building on what has worked, while renewing the product to remain relevant to changing customer and market requirements.

URBANIA DX

ALIGNING WITH CHANGING EXPECTATIONS

The launch of Urbania DX marks the next phase in Force Motors' premium shared mobility journey, building on the strong success of the Urbania platform. During FY2025-26, Urbania recorded more than 100% growth, gaining traction across tour and travel, hospitality and staff transport applications, while expanding its presence in international markets.

Building on this momentum, Urbania DX takes the platform a step further with a more refined and premium passenger experience, enhanced comfort and convenience, and upgraded features designed around evolving customer and passenger expectations. It reflects Force Motors' focus on continuously evolving its products, realigning with changing mobility needs and raising the benchmark for premium shared mobility.

TRAX CRUISER

Expanding rural
& semi-urban reach

This rugged utility vehicle platform, suited for rural and last-mile transport, is known for its durability and performance across tough terrain. The range, which serves both commercial and public sector needs, has expanded its reach in rural and semi-urban markets.

The platform showed strong traction in FY26, delivering over 70% growth. With an eye on widening the market opportunity for the platform, we are preparing to expand the lineup with an all-new variant, aimed primarily at fleet operators and government departments.

TRAVELLER

E-Traveller
Smart Citibus EV

The e-Traveller SMART CITIBUS EV marks Force Motors' entry into electric mobility, bringing its expertise in shared passenger transportation to cleaner and more sustainable urban mobility. This 14-seater, monocoque panel e-Van is designed for city operations, last-mile connectivity and employee transport, offering a quiet and efficient zero-emission mobility solution while contributing to the reduction of carbon footprint.

TRAVELLER MONOBUS LX

Designed for
safe passenger travel

India's first 33-seater and 41-seater monocoque bus, this is an efficient mid-size bus designed for safe and reliable passenger travel. Its monocoque body enhances stability, comfort and fuel efficiency, making it a preferred choice for transportation. The range is powered by a Euro VI-compliant, Mercedes derived engine, delivering strong fuel efficiency, excellent ride quality, superior handling, and robust performance.

SPECIAL APPLICATION VEHICLES

Force Motors offers mission-specific solutions such as Mobile Medical Units, Police Vans, Prison Vans, Troop Carriers, and Safari Vehicles, customised on the Traveller and Trax platforms for institutional and government use.

GURKHA

Offering unmatched all-terrain performance

Available in 3-door and 5-door variants, Force Gurkha is known for its rugged build and off-road capabilities. It is built to conquer the toughest terrains with ease. Designed for adventure, it delivers durability, power, and unmatched all-terrain performance.

CELEBRATING MILESTONE MOMENTS

The past one year has been a pivotal period in FML's transformation journey. The Company crossed a series of notable milestones, enabling a reset of its priorities to focus consciously on profitable growth, backed by a strategic realignment towards evolving customer needs, and setting the stage for it to rise further in its growth trajectory. During FY26, we delivered many operational achievements, and expanded our growth frontiers not just on the business front but also in terms of harnessing emerging opportunity and strengthening customer centricity.

Mercedes-Benz

Celebrating 200,000 Engines and a Legacy of Partnership

The milestone was graced by Members of the Board of Management of Mercedes-Benz Group AG, Mr. Michael Schiebe, Dr. Joerg Burzer, and Mr. Mathias Geisen, along with Mr. Prasan Firodia.

A Class	C Class	E Class	S Class	GLA Class	GLC Class	GLE Class	GLS Class
4 Cylinder	4 Cylinder	4 Cylinder	6 Cylinder - V Type	4 Cylinder	4 Cylinder	6 Cylinder - V Type	6 Cylinder - V Type

The roll-out of the 200,000th engine marked another significant milestone in Force Motors' long-standing manufacturing relationship with Mercedes-Benz. The Force Motors Chakan facility manufactures engines and axles for Mercedes-Benz cars and SUVs produced in India, meeting the brand's exacting global standards. The special milestone was commemorated in the presence of the Members of the Board of Management of Mercedes-Benz Group AG- Dr. Joerg Burzer, Chief Technology Officer, Development & Procurement; Mr. Michael Schiebe, Production, Quality & Supply Chain Management; and Mr. Mathias Geisen, Sales & Customer Experience.

Spanning over five decades, the association between Force Motors and Mercedes-Benz is a story of trust, cooperation and continuous evolution. The partnership reflects Force Motors' ability to evolve with changing needs while staying true to its fundamentals of precision, quality and reliability. Through continuous investment in technology, manufacturing and people, the relationship has grown stronger over the decades. The 200,000th engine is therefore more than a production milestone; it represents a partnership that continues to reset, realign and rise, setting new benchmarks in manufacturing excellence.

BMW Group India

Celebrating 100,000 Engines and a Decade of Partnership

Force Motors and BMW Group India marked the rollout of the 100,000th engine from the Chennai facility, a milestone that coincided with a decade of the partnership. Established exclusively to manufacture engines for BMW vehicles produced in India, the facility has become an important part of BMW Group's localisation strategy, combining advanced automation, stringent quality standards and skilled

manufacturing capabilities. The occasion was marked in the presence of Mr. Marcus Wollens, Vice President, BMW Production Network 2, BMW AG, and Mr. Thomas Dose, Managing Director, BMW Group Plant Chennai. The milestone reflects a decade of collaboration, precision and shared commitment to Make in India.

Indian Defence Force

Roll-out of Initial Batch of **GURKHAS** to Indian Army

Force Motors has successfully supplied an initial batch of Gurkha vehicles to the Indian Army as part of a larger, landmark contract awarded by the Indian Defence Force. FML had, in March 2025, received a procurement order for 2,978 Force Gurkha vehicles to be used by the Indian Army and the Indian Air Force. Deliveries of the vehicles are phased over a three-year period.

The roll-out of the first vehicles, which marks our expansion in the defence and institutional segment through the Special Vehicle Division (SVD), demonstrates the Company's strength across our product portfolio. It reinforces our long-standing association with defence forces and our

capability to deliver purpose-built vehicles for challenging terrains and applications.

Notably, all Bofors Guns at India's borders are powered by the Mercedes licensed OM 616 engine made by Force Motors. The Light Strike Vehicles inducted by the Indian Army to conduct surgical strikes are built on Force Gurkha platform.

Digital transformation for a future
ready organization

Even as it focused on resetting its operational focus and realigning its future-driven strategy, Force Motors strengthened its business agility during the year to rise towards enhanced business performance and customer trust, driving sustainable long-term growth. The Company further strengthened its emphasis on digitalisation and automation of its customer-facing and back-end operations.

As part of Project DigiForce, on which we had embarked in June 2024 as a two-year organisation-wide initiative to enhance agility, efficiency and overall stakeholder experience, we initiated new digital programmes in FY26.

INITIATIVES ROLLED OUT IN FY26

Partnership with Zoho for dealer network digitalisation

FML has partnered with Zoho Corporation to power end-to-end digital transformation across its dealer networks. A major milestone in Project DigiForce, the collaboration is focused on deployment of Zoho's Advanced Customer Relationship Management (CRM) and Dealer Management System (DMS), along with a suite of 12 AI-powered front-office applications, across Force Motors' nationwide network.

This integrated, cloud-based solution will replace legacy systems, bringing in cutting-edge capabilities to modernise marketing, sales, service, customer engagement, and internal collaboration. By streamlining dealer operations and creating a unified platform for teams, dealers, and customers, the new solution is set to significantly elevate the overall customer experience at every stage of engagement.

Force Motors operates a vast network of over 200 dealerships, 70 authorised service centers, and 30 parts centers across India, supported by international distributors in more than 25 countries. The new CRM-DMS solution will enable these dealer and distributor partners to operate more efficiently by enhancing sales and service productivity, improving customer satisfaction across every touchpoint and supporting more professional, data-driven business operations.

With this collaboration, Force Motors has taken a significant step forward in its digital transformation journey, setting a new benchmark for technology adoption in the Indian automotive sector.

Launch of Force iPulse Intelligent Platform

*Powered by Intangles

In August 2025, we launched Force iPulse - a next-generation connected vehicle platform that introduces a new standard in operational intelligence and vehicle lifecycle management. Developed in collaboration with Intangles, a global pioneer in AI-powered predictive analytics, Force iPulse brings state-of-the-art artificial intelligence and proprietary hybrid analytics to the core of vehicle operations.

Available across our entire range of vehicles, this factory-fitted intelligent platform is designed to transform fleet operations through real-time insights, predictive diagnostics, and enhanced driver comfort and safety.

As a flagship offering under Project DigiForce, Force iPulse goes beyond a digital upgrade, representing a foundational shift in how vehicle performance,

health, and operational behaviors are understood and managed. The platform continuously ingests and interprets high-resolution vehicular data to power predictive insights, enabling early detection of performance degradation and pre-emptive identification of component failures. Its ability to distinguish between surface-level symptoms and systemic issues empowers fleet operators to act precisely, not reactively.

The platform is accessible via both desktop and mobile applications, allowing for seamless, on-the-go visibility and control. The initiative marks another major step in driving customer delight.

STRENGTHENING PEOPLE CAPABILITIES

The Force Motors value proposition is powered by its people, whose capabilities, commitment and shared purpose drive the Company's transformation journey. Guided by the 'Reset Realign Rise' philosophy, we continue to strengthen our talent, foster collaboration, and align our workforce with the organisation's long-term vision, creating the engineering and manufacturing excellence needed to sustain leadership and drive future growth.

We have also partnered with SP Jain School of Global Management to conduct Executive and Advanced Leadership Programmes for high-potential employees, thus strengthening our leadership pipeline.

Naval Veerayatan, Pune

Through Project Lakshya, we continue to build a future-ready workforce by strengthening organisational capabilities and accelerating people transformation. This strategic Human Resources (HR) initiative is designed to create a digitally empowered, agile and leadership-driven organisation, aligned with the Company's evolving business priorities and long-term growth aspirations. Key focus areas of the project include:

LEARNING AND DEVELOPMENT

Company-wide training and engagement initiatives enhancing functional excellence.

EMPLOYEE ENGAGEMENT

Steering inclusion, ownership, and alignment with organisational goals.

DIGITAL CAPABILITY BUILDING

Nurturing a future-ready digital workforce through the DigiForce Digital Capability Training Programme.

CULTURAL SHIFT EMBEDDING

Notice (Contd.)

Annexure to the Notice Convening 67th Annual General Meeting

Statement setting out all the material facts relating to the Special Business as mentioned in the Notice as per the provisions of Section 102 of the Companies Act, 2013 (the 'Act').

ITEM NO. 4

Contribution to bona fide charitable and other funds.

Considering Company's sustainability and corporate responsibility commitments and active support to the social and environmental initiatives, it is likely, the Company may come across the proposals to make contributions to bona fide charitable and other funds etc.

In terms of the provisions of Section 181 of the Act any amount contributed to any charitable and other funds in excess of 5% of the Company's average net profits during the three immediately preceding financial years requires prior approval of the Members of the Company.

Therefore, approval of the Members of the Company is being sought as an enabling authorization, for making contributions to charitable and other funds, pursuant to Section 181 of the Act, enabling the Board of Directors (including any Committee thereof) to contribute or otherwise provide assistance from time to time up to an amount not exceeding to ₹50,00,00,000/- (Rupees Fifty Crores only) in any financial year, to any bona fide charitable and other funds etc. notwithstanding that such amount in any financial year may exceed the limit of 5% of the average net profits for the three immediately preceding financial years of the Company.

None of the Directors or Key Managerial Personnel, Promoters or their relatives, are concerned or interested, in any way, in this Resolution.

The Board recommends the Resolution as set out in **Item No. 4** for the approval of the Members of the Company.

ITEM NO. 5

Ratification of remuneration to be paid to Cost Accountant.

The Board, after considering the recommendation of the Audit Committee, had approved the appointment and remuneration to be paid to M/s. Joshi Apte & Associates, Cost Accountants, Pune, to conduct verification and review of the cost records of the Company for the Financial Year ending on March 31, 2027, at a remuneration of ₹3,00,000/- (Rupees Three lacs only) plus taxes.

Considering the applicable provisions of the Act and the Rules made there under, approval of the Members of the Company is being sought by this Ordinary Resolution as a matter of caution, though the said Cost Accountants are not required to be appointed to audit the Cost Records of the Company.

None of the Directors or Key Managerial Personnel, Promoters or their relatives, are concerned or interested, in any way, in this Resolution.

The Board recommends the Resolution as set out in **Item No. 5** for the approval of the Members of the Company.

ITEM NOS. 6 TO 8

Re-appointment of Mr. Vallabh Roopchand Bhanshali, Mr. Mukesh Mangalbhair Patel and Ms. Sonia Prashar as Independent Directors of the Company.

Pursuant to Section 149(10) of the Act, an Independent Director shall hold office for a term of up to 5 (five) consecutive years on the Board of a

Company but shall be eligible for re-appointment on passing of a special resolution by the Company for another term of up to 5 (five) consecutive years on the Board of a Company.

The Members of the Company had at the 63rd Annual General Meeting (AGM) held on September 28, 2022, approved the appointment of Mr. Vallabh Roopchand Bhanshali (DIN: 00184775) and Mr. Mukesh Mangalbhair Patel (DIN: 00053892) as Non-Executive Independent Directors of the Company for the first term of 5 (five) consecutive years commencing from August 13, 2022 till August 12, 2027.

Further, the Members of the Company through Postal Ballot Notice dated November 25, 2022, approved the appointment of Ms. Sonia Prashar (DIN: 06477222) for the first term of 5 (five) consecutive years from September 28, 2022 and up to September 27, 2027.

Based on the performance evaluation during the first term of Mr. Vallabh Roopchand Bhanshali, Mr. Mukesh Mangalbhair Patel and Ms. Sonia Prashar as Independent Directors of the Company, by the Nomination and Remuneration Committee (NRC), and considering their knowledge, acumen, expertise, experience and substantial contribution and time commitment and recommendation of NRC and in terms of the provisions of Sections 149, 150, 152 and 197 read with Schedule IV, Schedule V and all other applicable provisions of the Act and the LODR Regulations, Mr. Vallabh Roopchand Bhanshali, Mr. Mukesh Mangalbhair Patel and Ms. Sonia Prashar are eligible for being re-appointed as Independent Directors for the second term of 5 (five) consecutive years and have offered themselves for re-appointment.

The Board at its meeting held on July 29, 2026, based on the recommendation of NRC, background, experience and contribution made by the Independent Directors during their first tenure, have approved the re-appointment of Mr. Vallabh Roopchand Bhanshali, Mr. Mukesh Mangalbhair Patel and Ms. Sonia Prashar, as Independent Directors not liable to retire by rotation for a second term of 5 (five) consecutive years, as mentioned in the respective Special Resolutions, subject to approval of the Members of the Company.

The Company had received declaration of Independence from Mr. Vallabh Roopchand Bhanshali, Mr. Mukesh Mangalbhair Patel and Ms. Sonia Prashar, to act as Independent Directors and declarations to the effect that they are not disqualified to act as Independent Directors, pursuant to the applicable provisions of the Act, relevant Rules made thereunder and LODR Regulations. The Company had also received notice under Section 160 of the Act, from Member proposing candidature of Mr. Vallabh Roopchand Bhanshali, Mr. Mukesh Mangalbhair Patel and Ms. Sonia Prashar, as Independent Directors of the Company.

Further, as per the Regulation 17(1A) of the LODR Regulations, appointment or continuation of a Non-Executive Director after attaining the age of 75 years requires approval of the Members of the Company by way of Special Resolution and the Explanatory Statement annexed

Notice (Contd.)

to the Notice for such motion shall indicate the justification for appointing such a person.

In lieu of the aforesaid requirement, the Members of the Company while approving the appointment of Mr. Vallabh Roopchand Bhanshali at the 63rd AGM, considered the fact that Mr. Vallabh Roopchand Bhanshali would attain the age of 75 years during his first tenure. Further Mr. Mukesh Mangalbhay Patel who is currently aged 72 (seventy-two) years would attain the age of 75 (seventy-five) years during the proposed second tenure of appointment and in view of the same, the Board recommends passing of Special Resolutions for their continuation as Independent Directors of the Company based on following justification:

It is informed to the Members that Mr. Vallabh Roopchand Bhanshali, who is recipient of many honors including two honorary doctorates and has also been admitted to the Hall of Fame of the Institute of Chartered Accountants of India, has attained the age of 75 years and considering his extensive experience in the areas of business, finance, strategy and corporate governance, significant contribution to the deliberations of the Board, deep understanding of the Company's business and industry, and valuable guidance provided to the management, his continued association would be of immense benefit to the Company. The Members may further note that he continues to possess the requisite expertise, experience, integrity and ability to devote sufficient time to the affairs of the Company.

It is informed to the Members that Mr. Mukesh Mangalbhay Patel, will be attaining the age of 75 years during his second tenure of appointment and considering his extensive experience of five decades as a Veteran in the legal profession and an eminent Tax expert and his expertise in the areas of business, finance, strategy and corporate governance, significant contribution to the deliberations of the Board, deep understanding of the Company's business and industry, and valuable guidance provided to the management, his continued association would be of immense benefit to the Company. The Members may further note that he continues to possess the requisite expertise, experience, integrity and ability to devote sufficient time to the affairs of the Company.

In the opinion of the Board, the Independent Directors fulfil all the conditions specified under the Act, the Rules and LODR Regulations, for re-appointment as Independent Directors of the Company and are independent of the management and possesses appropriate skills, experience and knowledge. A copy of the draft Letter of Appointment of Independent Directors is available for inspection on the website of the Company at <https://www.forcemotors.com/>.

The remuneration payable to the Independent Directors, if any shall be governed by the Remuneration Policy as specified in the Corporate Governance Report forming part of this Annual Report and Members' approval as recommended by the NRC and the Board of Directors.

A brief profile of Independent Directors and disclosures with respect to appointment of Directors as required to be provided to the Members pursuant to the applicable sections read with relevant rules and schedules of the Act, and applicable Secretarial Standards and LODR Regulations are given in **Annexure** to this Notice.

Except Mr. Vallabh Roopchand Bhanshali, Mr. Mukesh Mangalbhay Patel, Ms. Sonia Prashar and/or their relative, no other Directors or Key Managerial Personnel, Promoters or their relatives, are concerned or interested, in any way, in the Special Resolutions set out at Item Nos. 6 to 8 of the Notice.

The Board recommends the Resolutions as set out at **Item Nos. 6 to 8** of the Notice, for the approval of the Members of the Company.

ITEM NO. 9

Amendment of Object Clause of the Memorandum of Association (MoA) of the Company.

The Company was established with an objective to provide affordable, reliable and efficient transportation solutions for the masses by harnessing the best available technology and is engaged in the business of Manufacturing of light commercial vehicles, small commercial vehicles, utility vehicles, spare parts and high technology automotive aggregates for several industries and sectors, including government agencies, public transportation, educational institute, health services, defense services and logistics.

The alteration will provide the Company with greater flexibility in future to expand its business activities, improve its competitiveness, and achieve sustainable long-term growth. The Company may undertake activities based on the market conditions and other external factors affecting the business of the Company.

The proposed objects are lawful and are in the best interest of the Company and concerned stakeholders, and does not adversely affect the rights or interest of any concerned stakeholder of the Company.

Further, the Act requires the Company to obtain the approval of Members by way of Special Resolution for the alteration of the MoA of the Company in respect of change of Object Clause.

A copy of the Memorandum and Articles of Association of the Company, is available on the website of the Company at <https://www.forcemotors.com/investor/> for inspection by the Members of the Company.

None of the Directors or Key Managerial Personnel, Promoters or their relatives, are concerned or interested, in any way, in this Resolution.

The Board recommends the Resolution as set out at **Item No. 9** of the Notice, for the approval of the Members of the Company.

Board's Report (Contd.)

2. STATE OF COMPANY'S AFFAIRS AND FUTURE OUTLOOK

FY 2025-26 was the strongest year in the history of Force Motors Limited. The Company achieved growth in turnover of 12.21%, while profitability increased by 51.41% including exceptional item, compared to the previous financial year. Improvement in topline on a consolidated basis is from ₹8,07,173 lacs to ₹9,05,705 lacs, with EBITDA achieved at 17.74%. The performance reflects the benefits of sustained focus on strengthening capabilities, reinforcing core businesses and pursuing growth with financial and operational discipline.

The Company has, over the years, focused on building positions of strength in its chosen segments, while continuing to invest in technology, people and processes to strengthen its ability to respond to evolving customer requirements and pursue future opportunities.

During the year, healthy growth in demand across Tour and Travel, School Buses and buses for commuting professionals provided opportunities across several key mobility applications. The Company's growth during the year was supported by broad-based performance across its key product platforms. Traveller maintained its clear leadership in the core van segment, commanding over 70% market share. Urbania emerged as a significant growth driver, recording over 100% growth in volumes and strengthening its position in premium passenger mobility. The Trax platform also recorded over 70% growth, supported by increasing traction in Tier-2 and Tier-3 markets. The Special Vehicle Division further strengthened the Company's institutional and defence presence with the supply of the first lot of Gurkha vehicles to the Indian Army. The Company also continued to strengthen its capabilities for emerging mobility technologies, including electrification, while pursuing an application-based approach to product and driveline development.

Building on the progress made during the year, the Company has further strengthened its product portfolio with the introduction of the new-generation Traveller N range and Urbania DX. These new offerings reflect the Company's continued emphasis on product development and incorporating evolving customer and passenger expectations into its mobility solutions. The Company also sees continued opportunities in the defence and specialised mobility sectors, where its engineering capabilities and experience in developing purpose-built vehicles provide a strong foundation for future growth.

The component business continued to demonstrate stability and steady growth, with the manufacturing of engines and axles for Mercedes-Benz India at our dedicated facility in Chakan, Pune, and engines and CRFM modules for BMW India at our Chennai facility. During the year, the Company achieved the significant milestone of manufacturing its 100,000th engine for BMW India, reflecting a decade of precision manufacturing and collaboration. Subsequently, the rollout of the 200,000th engine for Mercedes-Benz India marked another important milestone in the Company's long-standing manufacturing relationship with the brand, spanning over 50 years.

The stability in production, sharp customer focus and growing acceptance of the Company's products in India is also enabling the Company to pursue opportunities in a wider range of geographical markets and place greater emphasis on exports. The increasing ability of Indian manufacturers to develop competitive, modern and attractive products, together with the continued growth of the Indian economy despite geopolitical and economic upheavals, provides a favourable environment for the automotive industry.

Going forward, every effort is being made to maintain and improve upon the financial performance achieved during the year. The Company remains focused on strengthening its core businesses, enhancing its product portfolio and building on its engineering and manufacturing capabilities to pursue sustainable and profitable growth. Continued investment in technology, people, processes and market development will remain important as the Company expands its presence across new products, applications and geographies.

3. CHANGE IN NATURE OF BUSINESS, IF ANY

During the year under review, there is no change in the nature of business of the Company.

4. DIVIDEND

The Board recommended a dividend of ₹50/- per share for the year under review, at its Meeting held on April 29, 2026. The same will be paid subject to the approval of the Members at the ensuing Annual General Meeting ('AGM') of the Company.

The dividend recommended is in accordance with the principles and criteria as set out in the Dividend Distribution Policy of the Company pursuant to the provisions of Regulation 43A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the 'LODR Regulations'). The Dividend Distribution Policy is available on the Company's website at <https://www.forcemotors.com/wp-content/uploads/2025/02/Dividend-Distribution-Policy.pdf>

The total payout w.r.t. the dividend recommended for the Financial Year 2025-26 will be ₹6,588 lacs as against ₹5,270 lacs for the previous financial year.

The details of dividend and shares transferred to the Investor Education and Protection Fund during the year under review are covered in the Report on Corporate Governance.

5. SHARE CAPITAL

The paid-up equity share capital as on March 31, 2026 was ₹1,318 lacs. The Company did not issue any shares by way of public issue, rights issue, bonus issue or preferential issue or otherwise during the year under review. The Company has not issued any shares with differential voting rights or granted stock options or sweat equity, during the year under review.

6. ANNUAL RETURN

The Annual Return as on March 31, 2026, pursuant to the provisions of Section 92 of the Act and the Rules made thereunder, is available on the website of the Company at <https://www.forcemotors.com/investor/>

12. CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

Conservation of Energy

The Company's efforts towards conservation of energy and the increased use of renewable sources have continued with determination during the year. A significant development was the commissioning of a rooftop solar power plant at Pithampur, further increasing the share of green energy in the Company's energy mix.

The Company continues to work towards its objective of achieving 50% green energy by 2027, while remaining committed to its longer-term goal of Net Zero emissions by 2050. We are pleased to report that renewable sources accounted for 31% of the Company's electricity consumption in the previous year, reflecting steady progress towards this objective.

Along with energy conservation, considerable attention continues to be given to water conservation, tree plantation, rainwater harvesting and the preservation of the natural environment around our plants. A significant example of this commitment is the 30-acre expanse of forest and natural land within the Company's Pithampur Plant, which supports a rich variety of flora and fauna. The preservation and nurturing of this ecosystem reflects the Company's belief that industrial development and environmental stewardship can progress alongside each other.

At the same time, continued improvements in maintenance, reduction of air leakages, use of intelligent devices to regulate consumption of compressed air and electricity, and wider use of energy-efficient equipment are helping improve resource efficiency. These efforts, together with the increasing use of renewable energy, remain an integral part of the Company's approach towards responsible and sustainable manufacturing.

Technology Absorption & Development

Force Motors continues to focus on innovation, manufacturing excellence and customer-centric product development.

For over half a century, the Company has focused on developing products suited to the evolving needs of the Indian market, while progressively preparing them for more sophisticated overseas markets. Local research and development have resulted in products such as the Urbania, Gurkha and Monobus, together with our BS 6.2 drivelines, which are well suited to the product range we manufacture and the markets we serve.

The Company's state-of-the-art Research & Development Centre in Pune is central to these efforts, driving new product development,

Board's Report (Contd.)

engineering and technology solutions. Increasing emphasis is being placed on understanding evolving customer requirements and incorporating customer feedback into the development and improvement of our products.

To further strengthen its product development and testing capabilities, while enhancing its engineering expertise for advanced electric mobility, the company invested INR 40 Cr. in upgrading R&D related development and testing infrastructure. In order to ensure next-generation electric vehicle development, company has authorized a total investment of INR 45 Cr. in EV Engineering Infrastructure, assembly stations and testing lab (mainly Powertrain Dyno & Power electronics testing stations).

Force Motors has also become the first manufacturer to develop and homologate an electric ambulance and will offer these vehicles for sale under the PM E-DRIVE Scheme. The Traveller platform, which enjoys a leading position in the passenger van segment, is also available in an electric version, reflecting the Company's preparedness to offer appropriate solutions as the market evolves.

The Company's continued work across conventional, electric and alternative powertrain technologies enables it to remain prepared for changing mobility requirements across different applications and markets.

We have continued to maintain a consistent percentage of expenditure on R&D. The details are as follows:

Particulars	2025-26 (₹ in lacs)	2024-25 (₹ in lacs)
Capital Expenditure on R&D	19,194	12,495

MANAGEMENT DISCUSSION AND ANALYSIS

I. INDUSTRY STRUCTURE AND DEVELOPMENTS

The Indian automobile industry had a remarkable year in FY 2025-26. Commercial vehicle sales grew by 12.6% to 10,79,871 units, crossing the one-million mark for the first time. This is an important milestone and reflects the growing scale of the Indian economy, the increasing need for mobility and the considerable progress made by the Indian automotive industry over the years. The rationalisation of GST rates during the year also provided an impetus to demand across several vehicle categories, improving affordability for customers.

At the same time, the automobile industry is passing through a period of significant technological change. There is considerable emphasis on electrification, alternative fuels and cleaner technologies. However, experience increasingly shows that there cannot be one technology or one solution for every application. The manner in which a vehicle is used, how far it runs, where it operates, the load it carries and whether charging or refuelling infrastructure is available- will determine which technology is most suitable.

This is particularly relevant in the commercial vehicle business. While the penetration of electric vehicles in the overall commercial vehicle industry remains at an evolving stage, electric mobility is finding increasing relevance in specific applications, particularly last-mile mobility and operations involving defined routes and predictable running. Some applications are well suited to electric mobility, especially where vehicles operate over defined routes and cover higher daily mileages. In other applications, however, conventional and alternative fuel drivelines will continue to have relevance. The transition, therefore, is likely to take place at different speeds across different segments.

The Company's approach has been to remain prepared for this changing environment without assuming that one technology will replace all others. Along with continued development of efficient ICE and CNG drivelines, the Company has also developed electric mobility solutions. The emphasis remains on understanding the actual requirements of customers and developing products that are appropriate for their particular applications.

Another encouraging development is the growing capability of the Indian automobile industry itself. Indian manufacturers today have the experience, engineering competence and manufacturing scale to develop products that are increasingly competitive, modern and attractive. The next opportunity is to build on these strengths

and expand India's presence in global markets. India's increasing engagement with global markets and its efforts to strengthen trade and economic relationships with major economies, including the European Union, are creating a more favourable environment for Indian manufacturers to expand their international presence. For companies with established global partnerships and manufacturing relationships, particularly in Europe, these developments can further strengthen opportunities for deeper engagement with international markets.

For this to happen, however, Indian manufacturing must continue to become more competitive. Simplification of regulations, ease of establishing and expanding manufacturing facilities, efficient infrastructure and a stable policy environment can enable industry to invest with greater confidence and build for the long term.

The Indian automobile industry today has the capability and ambition to increase its global footprint significantly. The challenge, as always, will be to continue investing in technology and manufacturing while remaining competitive. For Force Motors, the focus will remain on building capabilities patiently, developing products that meet changing customer requirements and strengthening its position in the markets it chooses to serve.

II. PERFORMANCE OF THE COMPANY

Operational Performance: The number of vehicles sold during the financial year under report was 37,619 compared to 32,068 vehicles sold in the previous financial year. During the year under report, the Company achieved a top line of ₹9,05,654 lacs as compared to ₹8,07,123 lacs for the previous financial year. The sales turnover stood at ₹8,97,967 lacs compared to the previous year's turnover of ₹8,00,692 lacs.

Financial Performance: As stated above, the Company sold 37,619 vehicles during the Financial Year 2025-26 compared to 32,068 vehicles in the previous Financial Year 2024-25. The Profit before Depreciation, Exceptional Items and Taxes, from operations for the year under report was ₹1,58,984 lacs as compared to ₹1,12,291 lacs for the previous financial year. The Net Profit after Depreciation, Exceptional Items and Taxes was ₹1,21,126 lacs for the current financial year as compared to ₹79,997 lacs for the previous financial year. The Reserves and Surplus of the Company for the current financial year stood at ₹4,21,359 lacs as compared to ₹3,04,894 lacs for the previous financial year.

Annexure to the Board's Report (Contd.)

Key Financial Ratios: In accordance with the LODR Regulations, the following are the key financial ratios along with the explanation where changes are more than 25%, as compared to previous financial year.

Sr. No.	Ratios	FY 2025-26	FY 2024-25	% Change	Reason for change in the ratios by more than 25%

(ix)	Interest Coverage Ratio	488.68	44.41	1000%	Improved operating profitability and reduction in interest serving obligations on account of debt-free position during the current financial year.

III. OUTLOOK

Outlook on the business of the Company is covered in the Board's Report.

IV. SUBSIDIARY

The Company is a Subsidiary of Jaya Hind Industries Private Limited, which holds 57.38% stake in the Company.

The Company is a Holding Company of Tempo Finance (West) Private Limited, and holds 66.43% stake in that Subsidiary Company.

The Company has a joint venture with Rolls Royce Solutions GmbH, a Company of the Rolls Royce Group. The Company holds 51% stake in Force MTU Power Systems Private Limited ('FMTU') by virtue of which FMTU has become a Subsidiary of the Company.

Further, after the closure of financial year the Company has acquired 100% shareholding of VTPL, by virtue of which VTPL has become a Wholly-Owned Subsidiary of the Company.

V. OPPORTUNITIES, THREATS AND RISK FACTORS

The opportunities for the Indian automobile industry remain substantial. Better roads, growing economic activity and increasing travel are creating opportunities across tour and travel, employee transportation, school transport and other specialised mobility applications. Customers are also increasingly looking for better comfort, quality and features, creating opportunities for more differentiated and premium mobility solutions.

India's passenger carrier market is expected to grow at an annual rate of 8-9% YOY for the next few years, supported by fundamental changes in market dynamics. With GDP growth expected to be around 7% YOY, rising per capita income provides substantial growth potential for India's passenger carrier market. At Force Motors, this opportunity is significant, as the end-segments served

by the Company, such as education, hospitality, tourism and healthcare, are expected to grow 1.5 to 2 times over the next five years. This will significantly boost demand for Force Motors' vehicle offerings.

India's demographic dividend and infrastructure investments in highways are expected to support the growth of the passenger carrier market, with significant expansion in the last-mile connectivity segment served by Force Motors. Also, the growth of Global Capability Centres in India significantly increases the demand for premium mobility, wherein the Company is well positioned with its Urbania offering. Lastly, with EV penetration in medium to heavy passenger carriers still at an early stage of 2-3%, the segment offers substantial growth potential. Government-led EV initiatives and the ongoing shift toward sustainable transportation create a favourable environment for expansion.

At the same time, recent geopolitical developments have reminded us how quickly events far beyond India's borders can affect domestic industry. Disruptions in the availability of energy and other essential inputs, rising commodity prices and disturbances to shipping and supply chains can impact both production and costs.

The transition towards cleaner mobility will also continue, although the pace will differ across vehicle categories and applications. The challenge for manufacturers will be to remain prepared for these changes, while continuing to offer products that are practical, reliable and economically viable for customers.

VI. INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company's internal control procedures are adequate to ensure compliance with various policies, practices and statutes in keeping with the organisation's pace of growth and increasing complexity of operations.

Annexure to the Board's Report (Contd.)

The Company maintains system of multi-level internal controls which provides reasonable assurance regarding Effectiveness and Efficiency of Operations, safeguarding of assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records and the timely preparation of reliable financial information.

During the year under review, such controls were tested and no reportable material weaknesses in the design or operation were observed.

VII. HUMAN RESOURCE DEVELOPMENT

The Company has continued its programme for training and skill development in its plants, for employees at various levels, who are provided training both in hard and soft skills. A large number of executives in the Sales & Marketing arm of the Company and in our dealer, network spread all over India, are also provided continuous upgradation, training in selling skills, product familiarisation,

customer service aspects - in a well-structured and extensive programme. The Company had 4,832 employees as on March 31, 2026.

VIII. CAUTIONARY STATEMENT

Statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates, expectations may be forward looking statements. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include, amongst others, economic conditions affecting demand / supply and price conditions in the markets in which the Company operates, changes in the Government regulations, tax laws and other statutes and incidental factors.

Business Responsibility & Sustainability Reporting (Contd.)

26. Overview of the entity's material responsible business conduct issues

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1	Water and Effluent Management	Risk	Water is required for both industrial and domestic functions in the company. Some processes like paint booths are water intensive and require more quantity of fresh water. With the use of water, there will be generation of effluents which contains chemicals, dissolved and suspended solids. If this effluent discharge is untreated and disposed directly into waterbodies, or on land, it will adversely affect the aquatic life and land contamination. An overuse of water can deplete the nearby ground and surface water resources.	- Analyzing previous year's consumption of freshwater and setting targets to reduce it by adopting water efficient processes and projects. - Investing in advanced water treatment technologies that can increase the utilization of treated wastewater and can reduce the fresh water consumption. - Initiating projects for rainwater harvesting and ground water recharge for replenishing the water levels inside plant premises. Rainwater harvesting with the help of filtration technology, can be used for both domestic and industrial processes.	Negative: In the absence of efficient water management, additional procurement of freshwater can lead to increased production cost. Improper treatment of effluent and unmonitored discharge can lead to non-compliance with environmental regulations which results in hefty fines and legal cost.
2	Greenhouse Gas Emissions and Climate Change Management	Risk	Manufacturing phase of automotive sector is one of the contributors of Greenhouse gases (GHG). Since this company consumes significant number of raw materials and is involved in energy intensive processes like foundry / painting, it is a major source of GHGs and contributes in Global climate change. Adapting processes with lower GHG intensity can lead to higher operational cost.	- Initiatives to invest in projects involving renewable energy like solar energy/ wind - captive or open access. - Setting goals and commitments to reduce the emission such as Net zero GHG emission in operation by 2050. - Adopting best practices for energy consumption and emission reduction and complying with environmental standards.	Negative: There is a significant need for capital to adopt new technologies and prepare for upcoming mandates. Any noncompliance with these mandates can increase the risk of penalties and legal expenses, damaging the company's reputation and financial implication.
		Opportunity	Carbon footprint reduction can be brought forward by decrease of energy and fuel consumption thereby reducing overall resource intake. Gradual and consistent approaches in reducing footprint can ultimately help achieve carbon neutrality. This further helps to mitigate climate change.	Not applicable	Positive: Efforts to reduce emission improves resource efficiency and helps in cost saving. Investing in low emission technologies can reduce operational cost and bring forth profit in the long run by reducing resource intake. Achieving carbon foot print improves the reputation, encouraging stakeholders and consumers to invest more.

Business Responsibility & Sustainability Reporting (Contd.)

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
3	Energy Management	Opportunity	Carbon emission is directly associated with energy consumption of any entity. Processes like welding, painting and assembly are the core functions in an automobile industry which are energy consuming. By developing energy efficient technologies there will be a substantial decrease in emission and also lowers operational cost related to energy. Transitioning from fossil fuels to renewable energy will lower energy cost and help to offset / reduce carbon footprint of the company.	Not applicable	Positive: Lowering carbon emission by substituting nonrenewable energy with renewable energy improves sustainability credentials which further promotes brand reputation among environmentally conscious consumers and stakeholders. Renewable energy projects implementation attracts reduction in overall cost of energy which can lead to overall profit for the company.
4	Biodiversity	Risk	Expansion of company causes habitat destruction and fragmentation subsequently manufacturing process can pollute the environment creating imbalance in eco system. Extraction of raw materials such as aluminum, iron, lithium for batteries causes deforestation, soil degradation and pollution leading to a gradual loss of bio diversity. This may cause legal implications from regulatory bodies and can cause loss of reputation.	1. Considering bio diversity while managing supply chain can positively impact in reducing environmental footprint. 2. Planting trees across the Company's property can improve the ecological balance. 3. Rejuvenation of natural water bodies in water catchment areas of operations can support to improvement of aquatic bio diversity.	Negative: Building a sustainable supply chain which causes minimal environmental impact can impose a huge financial burden on the company. High investments are necessary for bio diversity restoration projects, inability to resolve issues with respect to tampering of eco system can lead to legal implications and fines. With increasing environmental awareness among stakeholders, failing to comply with environmental regulations can decrease investors due to reputation loss.

Business Responsibility & Sustainability Reporting (Contd.)

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
5	Waste Management	Risk	Automotive sector uses diverse materials for manufacturing process which creates equally diverse waste products such as scrap metals, solvents, oils, plastic etc. Different methods are used for the disposal of each category of waste, which attracts cost for disposal especially hazardous waste. Improper disposal can lead to water and land contamination and emission of greenhouse gases contributing to environmental degradation. Regulations regarding waste disposal are complex to follow and extremely costly.	1. Proper monitoring, segregation and storage of waste, increasing the awareness on the importance of waste management among employees/workers. 2. Implementation of recycling programs 3. Adopting waste reduction strategies and disposal methods with lower environmental impact.	Negative: Developing infrastructure required for waste management and recycling programs requires large initial investments. Improper disposal of waste can lead to legal implications, hefty fines and penalties, and significant cost associated with environmental remediation processes. Failure to adhere with waste management regulations can harm the brand image and subsequent loss in investments.
6	Materials and Circular Economy	Risk and Opportunity	Risk: A significant quantity of rare earth and critical minerals are required as a raw material in the manufacturing process in automotive industry. Due to lack of viable substitutes any disruption in supply chain in the case increase in demand or market competition can cause a financial burden. Scarcity in these materials can force the industry to invest in cost intensive alternate technologies or procurement through higher cost. Opportunity: Recycling and reusing materials in manufacturing reduces the dependency on new raw materials, reduce wastage and also significantly decreases production cost. For materials like Lithium used in batteries, recycling makes less dependency on volatile supply chains. Reduced procurement of raw material further reduces overall carbon footprint and lowers the impact on environment.	1. Reusing or recycling these materials and introducing them back into the process decrease the raw material usage and reduce material waste. 2. Focusing on technologies that optimize the use of materials throughout production. 3. Collaborating with suppliers with more transparency and ethical sourcing in order to avoid shortage in supply due to conflicts or legal implications.	Negative: Supply chain disruptions can increase overall cost, primarily in production. If critical materials are unavailable, operational delays may occur, leading to a stoppage in production and a loss of revenue. Positive: Recycling materials and reusing them instead of procuring raw materials is cost effective and overall reduces procurement expenses. Expensive waste management processes can be reduced or avoided by recycling materials instead of discarding them. Reduced supply chain dependencies result in fewer financial disruption. Material circularity can improve the sustainability performance and be competitive in market also attracting more investors.

7	Employee Well-being and Development	Opportunity	Investing in the well-being, continuous development, personal and professional growth of employees helps foster a competent work force and increase job satisfaction. Employees who receive training and skill development feels supported in their progress and are more likely to stay hence reducing turnover rates. well trained and engaged work force overall increases productivity and business performance.	Not applicable	Positive: Reduction in turnover rates can decrease recruitment and training cost. Stable and experienced workforce translates to higher level of productivity which boosts overall business performance. Positive employee relation encourages collaboration, innovation and knowledge sharing which helps to improve operational efficiency, attracts and retain talent.
8	Diversity, Equity and Inclusion	Opportunity	By creating an environment where people from various backgrounds, perspectives, and experiences feel welcome and valued, companies can attract a broader pool of talent. Diversity enriches the workforce and enhances the innovation and creativity. Inclusivity contributes to positive work environment and strengthen employee engagement and morale. Promoting gender equality and implementing fair and equitable employment policies further solidifies an organization's commitment to social responsibility and long-term sustainability.	Not applicable	Positive: Diverse workforce increases the overall reputation of the company and thereby attracting talent. Inclusive work environment improves the morale of employees and increases employee engagement, ultimately resulting in lower turnover rates.

9	Occupational Health and Safety	Risk	Failure to establish and maintain a safe working environment, coupled with non-compliance to safety protocols by employees and business partners can risk the reputation of company. Neglecting safety standards causes employee casualties which ultimately affects the morale of the employee and dips productivity. Work place accidents create negative image leading to decrease of trust from stakeholders like employees.	1. Adapting various practices for risk reduction like elimination, substitution engineering / administrative controls, providing protective equipment's and enforcing rules throughout the premises to use it can prevent incidents. 2. Conducting safety training programs, safety audits, feedback on safety practices and establishment of safety protocols. 3. Involving various levels and functions in the process of proactive engagement for safety and identifications of hazards and mitigate associated risk.	Negative: Work place hazards and accidents give rise to significant legal liabilities and substantial fines. Unsafe working conditions affects the morale of employees thereby reducing productivity, impacts business. Subpar safety records fails to attract new talent and reduces the chance of organization at securing affordable insurance coverage.
10	Training and Development	Opportunity	Providing trainings for skill development and professional growth can enhance the competency of the workforce and is crucial for overall progress. Furthermore, turnover rates reduce with more opportunities for the employees to develop skills.	Not applicable	Positive: Employees being continuously trained are content with the organization which leads to lower turnover rate and the costs related to it. This stability ensures satisfied employees to be productive and enhance business performance. Well trained employees play key role in driving innovation and increasing operational efficiency which boosts profitability. Training programs minimize operational errors and in turn benefit company.

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
11	Customer Centricity	Risk and Opportunity	Risk: Failure to meet customer expectation by not catering to changing preference create a situation risk of losing customer loyalty and market share. Poor customer service can lead to legal action, negative publicity and diminished reputation. Unresolved customer complaints regarding issues related to vehicle can cause dissatisfaction and unattended vehicle safety issue leads to accidents leading to injuries, fatalities and costly recalls. Opportunity: Understanding preferences and providing personalized solution leads to customer retention and loyalty. Aligning customer feedbacks with product development can lead to innovative technologies that helps stand out in market. Customer centric culture helps enhance customer satisfaction and improve brand perception and revenue growth.	1. Implementation of customer feedback channels, providing efficient customer service, both pre- and post-sale will help in an increased customer repeat / referral rate. 2. Engagements with customers through different channels, feedback analysis for product improvement shows that the company is for the masses.	Negative: Failing to meet customer needs leads to losing of customers which directly impacts the revenue. Losing customer necessitates higher spending on marketing campaigns to acquire new customers. Poor customer service or product issues that lead to legal claims could result in costly settlements or legal fees. Positive: Increased customer loyalty can lead to repeat purchases and stable revenue. Positive customer reviews can bring in new customers thereby reducing marketing expenses.
12	Corporate Governance	Opportunity	Effective corporate governance can help build trust with investors, employees, customers, and the public, improving the company's overall reputation. Clear governance structures and processes enable better oversight and decision-making to identify and mitigate risks more effectively. By maintaining ethical standards and transparency, corporate governance helps to prevent legal implications that could harm the company's reputation.	Not applicable	Positive: Strong corporate governance improves access to capital by attracting investors. Effective corporate governance structures lead to more informed, strategic decision-making. This helps to optimize operations, reduce inefficiencies, and identify profitable opportunities, ultimately improving profitability. Adhering to governance best practices ensures that the company is compliant with all relevant laws and regulations, reducing the risk of legal penalties, fines, and litigation costs.

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
13	Business Ethics	Risk and Opportunity	Risk: A failure to adhere to ethical standards can lead to negative publicity, tarnishing the company's reputation. Corruption and unethical behavior can lead to resource misallocation, environmental damage, and human rights abuses, damaging the company's reputation. If perceived as unethical, customers may lose trust in the brand, which can lead to a decline in customer loyalty. Opportunity: Ethical behavior fosters trust and credibility with customers, employees, and the broader community. Operating ethically helps to build long-term relationships with customers. Clear and transparent disclosures enable rating agencies to evaluate organizations effectively. By openly sharing organizational details, companies can enhance their ESG scores.	1. Ethics training within different employee teams, creation of ethics code within the organization and conducting regular ethics audits will ensure business ethics being seriously followed within the organization. 2. Promoting a culture of accountability within the organization, serious consequences for violations and encouragement of ethical decision making at all levels of the firm.	Negative: Implementing and maintaining business ethics standards often involves significant investments in training, audits, and legal consultations. Non-compliance with ethical standards, especially in areas like labor practices, environmental regulations, or anti-corruption laws, can result in legal consequences, including fines, penalties, and lawsuits. Positive: Ethical business practices can attract socially responsible investors and those focused on environmental, social, and governance (ESG) criteria. Ethical business tends to retain their customers leading to repeat business and higher lifetime customer value. Ethical practices often align with operational efficiencies, such as reducing waste, improving energy efficiency, and sourcing sustainable materials, which can lower costs over time.
14	Research Development and Innovation	Opportunity	Offering differentiated products, businesses can attract new customers, create new revenue streams, and gain a competitive edge. A successful R&D strategy enables businesses to capture market share, both in their current industry and in new sectors. Developing new technology can boost efficiency in process, reduce cost in production and lower emissions.	Not applicable	Positive: By investing in R&D, businesses can unlock long-term financial rewards. Successful R&D efforts lead to products that generate significant revenue over extended periods. Streamlining operations and improving product development cycles can lead to cost savings, reduced time-to-market, and improved profitability. A strong brand reputation built on R&D can attract customers, investors, and partners, contributing to increased sales, better investor relations, and more strategic collaboration. Proactive engagement of R&D will ensure the product ESG compliances and ensuring adherence to legal requirements.

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
15	Sustainable Supply Chain Management	Risk and Opportunity	Risk: Unsustainable practices, such as over-reliance on natural resources or unethical sourcing, can make the supply chain vulnerable to external disruptions such as natural disasters, geopolitical tensions, or climate change. An unsustainable supply chain can raise concerns about a company's long-term viability and governance. Non-compliance with regulations related to sustainable supply chain management can lead to legal issues, fines and negative impact on the goodwill of the company. Opportunity: By adopting sustainable supply chain practices, companies are better prepared to comply with evolving environmental regulations and international sustainability standards. A sustainable supply chain is more resilient to disruptions such as resource shortages, climate change, or social unrest. Incorporating ESG factors into the supply chain directly minimizes operational risks, reduces costs, and helps lower the environmental impact.	1. Drafting strong supplier code of conduct and strictly adhering to it can minimize the risk associated with it. 2. Screening and assessment of suppliers based on various ESG parameters.	Negative: Ensuring compliance and implementing sustainable practices throughout the supply chain increases costs. Disruptions and environmental violations can lead to fines, production delays, and operational costs. Positive: Sustainable supply chain practices, such as reducing energy consumption, cutting waste, and optimizing transportation, can lead to substantial cost savings. By ensuring compliance with environmental and sustainability standards which helps to avoid costly legal challenges and fines. Companies that incorporate sustainability into their supply chain are often seen as lower-risk investments by socially responsible investors.
16	Data Privacy and cybersecurity	Risk	The increase in data and cybersecurity breaches poses significant risks, especially with online transactions and cloud computing. Protecting stakeholders' data including customer data is essential to avoid operational disruptions and reputational damage. Failure to secure sensitive information can lead to financial losses, regulatory penalties, and erosion of customer trust, all of which can severely impact a company's long-term success.	Implementation of advanced threat detection, security audits on a regular basis, having a dedicated IT team working towards protecting customer information and data should be stationed.	Negative: Data breach involving sensitive customer or business information can result in significant financial losses through fines, legal fees, compensation and business loss. Organizations that fail to comply with data privacy regulations and regional laws may be subject to hefty fines. Investment in cybersecurity measures, including upgraded security software, employee training, and the implementation of more secure systems can be a financial burden.

Independent Auditors' Report

To the Members of Force Motors Limited

Report on the Audit of Standalone Financial Statements

OPINION

We have audited the standalone financial statements of Force Motors Limited ("the Company"), which comprise the standalone balance sheet as at March 31, 2026, the standalone statement of profit & loss (including other comprehensive income), standalone statement of changes in equity and the standalone statement of cash flows for the year then ended, notes to the standalone financial statements including material accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted

in India, of the state of affairs of the Company as at March 31, 2026, the profit and total comprehensive Income, changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics issued by the Institute of Chartered Accountants of India. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

KEY AUDIT MATTERS

Key audit matters are those matters that in our professional judgement, were of most significance in our audit of standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters.

Sr. No.	Key Audit Matter	How our audit addressed the key audit matter
1.	Contingent Liability The Company has duties and taxes litigations that are pending with various tax authorities. Whether a liability is recognised or disclosed as a contingent liability in the financial statements is inherently judgmental and dependent on assumptions and assessments. We placed specific focus on the judgements in respect to these demands against the Company. Determining the amount, if any, to be recognised or disclosed in the financial statements, is inherently subjective. Therefore, it is considered to be a key audit matter. (Refer Note 31(a) to standalone financial statements)	Our procedures included, but were not limited to, the following: • Obtained an understanding from the management with respect to process and controls followed by the Company for identification and monitoring of significant developments in relation to the litigations, including completeness thereof. • Obtained the list of litigations from the management and reviewed their assessment of the likelihood of outflow of economic resources being probable, possible or remote in respect of the litigations. • Assessed management's discussions held with their legal consultants and understanding precedents in similar cases;
2	Intangible assets Product development costs are incurred on new vehicle platforms; engines are recognised as intangible assets only when technical feasibility has been established. The costs capitalised during the year include technical know-how expenses, materials, direct Labour, inspecting and testing charges, designing and other direct expenses incurred on respective projects, up to the date the intangible asset is capitalised. The capitalisation of product development cost is considered to be a key audit matter given that the assessment of the capitalisation criteria set out in Ind AS 38 Intangible Assets is made at an early stage of product development and there are inherent challenges with accurately predicting the future economic benefit, which must be assessed as probable for capitalisation to commence. (Refer Note 2(f) and Note 5 of the standalone financial statements)	Our audit approach consisted of evaluation of design and implementation of controls, and testing the operating effectiveness around initiation of capitalisation of the product development cost including management's validation of relevant data elements and benchmarking the assumptions; The audit procedures included: • Obtained the list of approved project wise details and verify the completeness and accuracy of cost data with respect to various system generated reports. • Inspected the respective approvals for initiation of capitalisation including government approvals where applicable; • Reviewed the cost allocation for the year and determined that costs capitalised are directly attributable.

Independent Auditors' Report (Contd.)

Sr. No.	Key Audit Matter	How our audit addressed the key audit matter
		- Tested on sample basis costs incurred towards projects i.e. in respect of manpower cost, we verified hours booked on respective projects, hourly rates for respective persons and sample vouchers / invoices for directly attributable expenses. - We reviewed judgments used by the Management for expected probable economic benefits and associated expenditures, and their assessment of feasibility of the projects, including appropriateness of past / present useful life applied in calculation of amortisation. - After carrying out above audit procedures, we concluded that relevant criteria for capitalisation have been met.

INFORMATION OTHER THAN THE STANDALONE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's Management and Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the annual report but does not include the financial statements and the auditor's report thereon. The annual report is expected to be made available to us after the date of this audit report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

MANAGEMENT AND BOARD OF DIRECTOR'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Management and Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs profit / loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and

completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and the board of directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management or the Board of directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also

Independent Auditors' Report (Contd.)

responsible for expressing our opinion on whether the Company has an adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.
- Conclude on the appropriateness of Management's and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. A. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors for the year ended March 31, 2026 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls with reference to Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone Financial Statements.
- B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The standalone financial statements disclose the impact of pending litigations on the financial position of the company— Refer Note 31(a) to the standalone financial statements

Independent Auditors' Report (Contd.)

- ii. The Company did not have any long-term contracts, including derivative contracts for which there were any material foreseeable losses.
- iii. There has been no delay in transferring the amounts required to be transferred to the Investor Education and Protection Fund by the Company - Refer Note 44 to standalone financial statements.
- iv. With respect to clause (e) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended
 - a. The management has represented to us that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b. The management of the Company has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - c. Based on such audit procedures performed that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11 (e) as provided under (a) and (b) above contain any material misstatement.
- v. The final dividend declared and paid by the Company during the year in respect to the previous year is in

accordance with Section 123 of the Companies Act 2013 to the extent it applies to payment of dividend.

As stated in Note 47 to the standalone financial statements, the Board of Directors of the Company have proposed a final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act to the extent it applies to declaration of dividend.

- vi. With respect to clause (g) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, the requirement under proviso to Rule 3(1) of Companies (Accounts) Rules, 2014 of mandatory audit trail in the Company accounting software, based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during our audit we did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

3. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act.

The remuneration paid to any director by the Company is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT ON THE STANDALONE FINANCIAL STATEMENTS OF FORCE MOTORS LIMITED FOR THE YEAR ENDED 31 MARCH 2026

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of FORCE MOTORS LIMITED of even date)

- i. (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - (B) The Company has maintained proper records showing full particulars of intangible Assets.
 - (b) According to the information and explanations given to us, and on the basis of our examination of records of the Company the Company has a regular program of physical verification of Property, plant and equipment by which all the Property, Plant and Equipment are verified in a phased manner over a period of three years. Also, Property, Plant and Equipment were physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the frequency of physical verification of Property, plant and equipment is reasonable having regards to the size of the Company and nature of assets
 - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties as reported in Note 3 of financial statements are held in the name of the Company.
 - (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment or intangible assets or both during the year.
 - (e) According to the information and explanations given to us by Management, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
 - ii. (a) As informed to us, the inventory, except goods-in-transit and stocks lying with third parties, has been physically verified by the management during the year at regular intervals. In our opinion the coverage and procedure of such verification by the management is reasonable and procedures and coverage followed by the management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory.
 - (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company.
 - iii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not provided any guarantee or security or granted any advances in the nature of loans other than loans to employees, secured or unsecured to companies, firms, limited liability partnership or any other parties during the year. ANNEXURE “B” TO THE INDEPENDENT AUDITOR’S REPORT ON THE STANDALONE FINANCIAL STATEMENTS OF FORCE MOTORS LIMITED FOR THE YEAR ENDED MARCH 31, 2026

(Referred to in paragraph 2(A)(f) (under ‘Report on Other Legal and Regulatory Requirements’ section of our report to of even date)

Report on the Internal Financial Controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

OPINION

We have audited the internal financial controls with reference to standalone financial statements of **FORCE MOTORS LIMITED (“the Company”)** as of March 31, 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company and such company incorporated in India which is its joint operation company have, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).

MANAGEMENT’S AND BOARD OF DIRECTORS RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective company’s Management and Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR’S RESPONSIBILITY

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Company.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

A company’s internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the standalone financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls with Reference to Financial Statements to future periods are subject to the risk that the internal financial control with Reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes to Standalone Financial Statements

for the year ended 31 March 2026

1. THE CORPORATE INFORMATION

Force Motors Limited ("the Company") is a Public Limited Company domiciled and incorporated in India. The Registered Office of the Company is situated at Mumbai-Pune Road, Akurdi, Pune - 411035. The Company's ordinary shares are listed on the BSE Limited and the National Stock Exchange of India Limited.

The Company is a fully, vertically integrated automobile company, with expertise in design, development and manufacture of the full spectrum of vehicles, automotive components and aggregates. Its range of products includes Light Commercial Vehicles (LCV), Multi-Utility Vehicles (MUV), Small Commercial Vehicles (SCV) and Special Vehicles (SV).

2. MATERIAL ACCOUNTING POLICY INFORMATION

(a) Statement of Compliance

The financial statements of the Company comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("the Act") [the Companies (Indian Accounting Standards) Rules, 2015] as amended from time to time and other relevant provisions of the Act.

(b) Basis of Preparation

The financial statements have been prepared on the historical cost basis, except certain financial instruments and defined benefit plans, which are measured at fair values.

These financial statements have been prepared on a Going Concern basis.

All assets and liabilities, other than deferred tax assets and liabilities, have been classified as current or non-current as per the Company's normal operating cycle being 12 months and other criteria set out in the Schedule III (Division II) to the Act.

These financial statements are presented in Indian Rupees, which is the Company's functional currency. All amounts disclosed in the financial statements and notes have been rounded off to nearest lakhs, unless otherwise stated.

These standalone financial statements were approved by the Board of Directors and authorised for issue, on 29 April 2026.

(c) Revenue Recognition

(i) Sales

Revenue towards satisfaction of performance obligation is measured at transaction price. Amounts disclosed as revenue are net of Taxes, Returns, Discounts, Rebates and Incentives. The Company recognises revenue, when it has transferred to the buyer the significant risks and rewards associated with the ownership of goods, no significant performance obligation is pending and the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Company.

Trade Receivables that do not contain a significant financing component are measured at transaction price.

(ii) Other Incomes

Other incomes are recognised when it is probable that the economic benefit will flow to the Company and the amount of income can be measured reliably.

(iii) Cost Recognition

Costs and expenses are recognised when incurred and are classified according to their nature. Expenditure are capitalised where appropriate internally generated capital items (tangible and intangible assets) and various product development projects undertaken by the Company, for the introduction of new products and development of Engines and existing product variants.

(d) Inventories

Inventories are valued at lower of their cost or net realisable value. The cost of raw materials, stores and consumables is measured on moving weighted average basis.

Inventories comprise all costs of purchase, conversion and other costs incurred in bringing the inventories to their present location and condition.

Raw materials and bought out components are valued at the lower of cost or net realisable value. Cost is determined on the basis of the weighted average method.

Finished Goods and work-in-progress are carried at cost or net realisable value, whichever is lower.

Stores, spares and tools other than obsolete and slow moving items are carried at cost. Obsolete and slow moving items are valued at cost or estimated net realisable value, whichever is lower.

(e) Property, Plant and Equipment

Property, plant and equipment, except land, are carried at historical cost of acquisition, construction or manufacturing cost, as the case may be, less accumulated depreciation and amortisation. Freehold land is carried at cost of acquisition.

Cost represents all expenses directly attributable to bringing the asset to its working condition capable of operating in the manner intended.

Costs incurred to manufacture property, plant and equipment and intangibles are reduced from the total expense under the head 'Expenditure included in above items capitalised' in the Statement of Profit and Loss.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at regular intervals and adjusted prospectively, if appropriate.

Notes to Standalone Financial Statements (Contd.)

for the year ended 31 March 2026

(f) Intangible Assets

Intangible Assets acquired are stated at acquisition cost, less accumulated amortisation and impaired losses, if any.

Intangible Assets internally generated

Expenditure incurred by the Company on development of know-how researched, is recognised as an intangible asset, only if future economic benefits attributable to the use of such know-how are probable to flow to the Company and the costs/expenditure can be measured reliably.

(g) Investment Property

Investment property is measured at cost less accumulated depreciation.

(h) Impairment of assets

Assets are tested periodically for impairment. Impairment is carried out whenever events or changes in circumstances indicate that the carrying amount may not be recoverable.

(i) Depreciation & Amortisation

(i) Property, Plant and Equipment

- The Depreciation on Property, Plant and Equipment is provided on straight-line method and as per Schedule-II to the Companies Act, 2013.
- Leasehold land is amortised over the period of lease.

(ii) Investment Property

The Depreciation on Investment Property is provided on straight-line method and as per Schedule-II to the Companies Act, 2013.

(iii) Intangible Assets

- Software and their implementation costs are written off over the period of 5 years.
- Technical Know-how acquired and internally generated is amortised over the useful life of the assets, not exceeding 10 years.

(j) Borrowing Costs

Cost of borrowings incurred for acquisition, construction or production of qualifying asset is capitalised.

(k) Research and Development Expenses

Revenue expenditure on Research and Development is charged off as an expense in the year in which incurred and capital expenditure is grouped with Assets under appropriate heads and depreciation is provided as per rates applicable.

(l) Leases

(i) Where the Company is the Lessee

- The Company recognises a right-of-use asset and a lease liability at the lease commencement date.

The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

- The right-of-use asset is subsequently depreciated using the straight-line method over the useful life of the right-of-use asset or the end of the lease term.

Short-term leases and leases of low-value assets

- The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

(ii) Where the Company is the Lessor

Lease rentals are recognised in the Statement of Profit and Loss. Costs, including depreciation, are recognised as an expense in the Statement of Profit and Loss.

(m) Investment in Subsidiary and Joint Venture

The Company has elected to recognise its investments in Subsidiary and Joint Venture at cost in accordance with the option available in Ind AS 27, 'Separate Financial Statements'.

(n) Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and cash on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

(o) Earnings per Share

Basic earnings per share are computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the period.

(p) Foreign currency transactions

Transactions and balances

- Foreign Currency transactions are recorded at the rate of exchange on the date of the transaction.
- Monetary items of Assets and Liabilities booked in foreign currency are translated in to rupee at the exchange rate prevailing at the Balance Sheet date.
- Exchange difference resulting from settlement of such transaction and from translation of monetary items of Assets and Liabilities are recognised in the Statement of Profit and Loss.

Notes to Standalone Financial Statements (Contd.)

for the year ended 31 March 2026

(iv) Exchange difference arising on translation of foreign currency liabilities for acquisition of Property, Plant and Equipments are adjusted to the Statement of Profit and Loss.

(v) The date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income (or part of it) is the date on which an entity initially recognises the non-monetary asset or non-monetary liability arising from the payment or receipt of advance.

(q) Functional and presentation currency

These financial statements are presented in Indian Rupees, which is the Company's functional currency. All amounts disclosed in the financial statements and notes have been rounded off to nearest lakhs, unless otherwise stated.

(r) Employee Benefits

Defined benefit plans

- (i) The accruing liability of Gratuity is covered by Employees Group Gratuity Scheme of Life Insurance Corporation of India (LIC) and the premium is accounted for in the year of accrual. The additional liability, if any, due to deficit in the Plan assets managed by LIC as compared to the present value of accrued liability on the basis of actuarial valuation, is recognised and provided for.
- (ii) Provident fund contributions are made to Company's Provident Fund Trust. The contributions are accounted for as defined benefit plans and are recognised as employee benefits expense when they are due. Deficits, if any, of the fund as compared to liability on the basis of an independent actuarial valuation is to be additionally contributed by the Company.
- (iii) Current service cost and net interest on defined benefit obligation are directly recognised in the Statement of Profit and Loss.
- (iv) Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet.

Defined contribution plans

- (i) The Company's superannuation scheme is a defined contribution plan. The contributions are recognised as employee benefit expense when they are due.
- (ii) Benefits in respect of compensated absence payable after 12 months are provided for, based on valuation, as at the Balance Sheet date, made by independent actuaries.

(iii) Defined contribution to Employees Pension Scheme 1995 is made to Government Provident Fund Authority and recognised as expense as and when due.

The accounting of employee benefit plans in the nature of defined benefit requires the company to use assumptions. These assumptions have been explained under employee benefits note. (Refer Note 24 & 28 (b))

(s) Taxation

Current tax is determined as the amount of tax payable in respect of taxable income for the year. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Deferred tax is recognised on temporary differences between the tax base of assets and liabilities and their carrying amount in the financial statements. Deferred tax liabilities are recognised for all deductible temporary differences. Deferred tax assets are recognised to the extent it is probable that future taxable income will be available against which the deductible temporary differences could be utilised. Deferred tax is determined using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred taxes are recognised in profit or loss, except to the extent that it relate to the items that are recognised in other comprehensive income or directly in equity, in this case, the current and deferred taxes are also recognised in other comprehensive income or directly in equity respectively.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset, if there is convincing evidence that the Company will pay normal income tax against which the MAT paid will be adjusted.

The impact on account of adoption of New Income Tax regime has been explained under Note 8 to the Financial Statements.

(t) Provisions and Contingent Liabilities

(i) Provision

A provision is recorded when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Provision is made for estimated warranty claims in respect of products sold which are still under warranty at the end of the reporting period. These claims are expected to be settled as and when warranty claims

Notes to Standalone Financial Statements (Contd.)

for the year ended 31 March 2026

arise. Management estimates the provision based on historical warranty claim information and any recent trends that may suggest future claims could differ from historical amounts.

(ii) **Contingent liability**

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources or liabilities, which are frivolous claims, but required disclosure, are disclosed considering the relevant Accounting Standards.

(u) **Incentives**

Incentives are considered / recorded as income on the basis of sanction order received from the Government Authority.

(v) **Financial instruments**

Equity investments at fair value through other comprehensive income

These include financial assets that are equity instruments and are irrevocably designated as such upon initial recognition. Subsequently, these are measured at fair value and changes therein are recognised directly in other comprehensive income, net of applicable income taxes.

Dividends from these equity investments are recognised in the Statement of Profit and Loss, when the right to receive payment has been established. When the equity investment is derecognised, the cumulative gain or loss in equity is transferred to retained earnings.

(w) **Fair value measurement**

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities based on the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as;

- **Level 1** — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- **Level 2** — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- **Level 3** — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

(x) **Use of estimates and judgements**

The preparation of standalone financial statements in conformity with the recognition and measurement principles of Ind AS requires management of the Company to make estimates and judgements that affect the reported balances of assets and liabilities, disclosures of contingent liabilities as at the date of standalone financial statements and the reported amounts of income and expenses for the periods presented.

Detailed information about accounting judgements, estimates and assumption is included in the relevant notes.

- (i) Estimation of defined benefit obligation – refer Note 37.
- (ii) Estimation of provision for warranty claims – refer Note 18.
- (iii) Estimated useful life and residual value of property, plant and equipments - refer Note 2(i) (i) above.
- (iv) Estimated useful life of intangible assets- refer Note 2(i) (iii) above.
- (v) Estimation of provision for Tax expenses - refer Note 2(s) above.

Estimation and underlying assumptions are reviewed on on-going basis. Revisions to estimates are recognised prospectively.

(y) **Recent accounting pronouncements**

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

The MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates; Ind AS 7 - Statement of Cash Flows, Ind AS 107 - Financial Instruments: Disclosures and Ind AS 12 - International Tax Reform, applicable w.e.f. 1 April 2025. The Company has reviewed these amendments and based on its evaluation has determined that it does not have any significant impact in the financial statements.

Government Incentives	28,863	39,457
Labour Code impact - past period employee benefit liability	(7,739)	—
Total Exceptional Items	21,124	39,457

Exceptional items for the year ended 31 March 2026 represents:

- Exceptional income of ₹ 28,863 lakhs** - being Government Incentives, as per the Madhya Pradesh Industrial Investment Promotion Assistance Scheme, 2010, recognised on the basis of sanction order dated 23 December 2025, for the financial year 2024-25, of which ₹ 5,000 Lakhs has been received in April, 2026.
- Exceptional expenses of ₹ 7,739 lakhs** - The New Labour Codes became effective 21 November 2025, resulting in a past period employee benefit liability of ₹ 7,739 lakhs. Considering the materiality and regulatory driven, the non-recurring nature of the impact, the Company has presented such incremental impact under "Labour Code impact - past period employee benefit liability" in standalone financial statement of Profit and Loss for the year ended 31 March, 2026. The Company continues to monitor the finalisation of central / state rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments in the period in which they are notified.

- (c) The Company has initiated arbitration proceedings, against an entity, in relation to an agreement relating to transfer of technology. In the said arbitration, the Company has claimed various reliefs. The Respondent therein has also claimed various reliefs, by way of a counterclaim. The Company denies each and every allegation of such entity including but not limited to the counterclaim and the Company shall deal with/ defend the said allegations/counterclaim appropriately.

The Board of Directors is of the opinion that the said allegations/counterclaim of the entity can be successfully resisted by the Company.

This note/disclosure is made as a matter of caution and without prejudice to the rights of the Company or without the Company, in any way admitting the said allegations/counterclaim or any part thereof. The information, which is usually required to be disclosed, as per Ind AS 37 (Provisions, Contingent Liabilities and Contingent Assets) is not disclosed, as such disclosure may prejudice seriously, the outcome of the litigation (said arbitration proceedings).

32. DISCLOSURE AS PER THE REQUIREMENT OF SECTION 22 OF THE MICRO, SMALL AND MEDIUM ENTERPRISE DEVELOPMENT ACT, 2006

On the basis of information received as to the status as Micro, Small and Medium Enterprises, from suppliers of the Company along with a copy of the Memorandum filed by the said suppliers, as per the provisions of Section 8 of the Micro, Small and Medium Enterprises Development Act, 2006 (the Act), dues to Micro, Small and Medium Enterprises are as under:

38. FINANCIAL INSTRUMENTS - FAIR VALUES

Accounting classifications and fair values

The following table shows the carrying amounts and fair values of financial assets and financial liabilities with its classification.

	Carrying Value as at		Fair Value as at	
	31 March 2026	31 March 2025	31 March 2026	31 March 2025
Financial Assets				
(a) Fair value through Other Comprehensive Income (FVTOCI)				
Equity Investments	4,461	4,955	4,461	4,955
(b) Amortised cost				
i) Trade Receivables	19,115	17,434	19,115	17,434
ii) Loans	51	24	51	24
iii) Other Financial Assets	1,42,602	69,671	1,42,602	69,671
iv) Cash and cash equivalents	82,328	49,980	82,328	49,980
v) Other Bank Balances	117	86	117	86
Total	2,48,674	1,42,150	2,48,674	1,42,150
Financial Liabilities				
Amortised cost				
i) Non-current Borrowings	-	134	-	134
ii) Current Borrowing	-	1,609	-	1,609
iii) Trade Payable	1,04,032	78,359	1,04,032	78,359

Total	1,07,966	82,825	1,07,966	82,825

The following methods and assumptions were used to estimate the fair values:

The fair values of Trade Payables, Trade Receivables, Cash and Cash equivalents and Other Bank Balances, are reasonable approximation of fair value due to the short-term maturities of these instruments.

Investment in subsidiary and joint venture are accounted at cost in accordance with Ind AS 27 Separate Financial Statements, accordingly investment in subsidiary and joint venture are not fair valued.

Allowance for credit loss on Trade Receivables, is taken into account, on the basis of credit worthiness of the customer individual and the probability of recovery.

Fair value hierarchy and valuation techniques used

(a) Financial Assets and Liabilities measured at fair value

	Level	As at 31 March 2026	As at 31 March 2025
Financial Assets			
i) FVTOCI Investments - Quoted	Level 1	4,187	4,681
ii) FVTOCI Investments - Unquoted	Level 3	274	274
Total		4,461	4,955

(b) Financial Assets and Liabilities measured at amortised cost for which fair value is disclosed

	Level	As at 31 March 2026	As at 31 March 2025
Financial Assets measured at amortised cost			
i) Loans	Level 2	51	24
ii) Other Financial Assets	Level 2	1,42,602	69,671
Total		1,42,653	69,695

Notes to Standalone Financial Statements (Contd.)

for the year ended 31 March 2026

(All amounts in ₹ Lakhs, unless otherwise stated)

(c) Financial Liabilities measured at amortised cost

	Level	As at 31 March 2026	As at 31 March 2025
i) Non-current Borrowings	Level 2	-	134
ii) Current Borrowings	Level 2	-	1,609
iii) Other Financial Liabilities	Level 2	3,934	2,723
Total		3,934	4,466

The fair values disclosed in level 2 category are calculated using discounted cash flow method. These fair values reasonably approximate to the carrying values of financial assets and liabilities measured at amortised cost.

During the year ended 31 March 2026, there were no transfers between level 1 and level 2 fair value measurements and no transfers into and out of level 3 fair value measurement.

39. The Company has acquired the entire equity shares of Veera Tanneries Private Limited (VTPL), a private limited company incorporated under the Companies Act, 1956, vide a Share Purchase Agreement by and between the Company, VTPL and the shareholders of VTPL on 23 April 2026 for a total consideration of ₹ 16,196 lakhs (Rupees Sixteen thousand one hundred ninety six lakhs). Pursuant to such acquisition, VTPL has now become a wholly owned subsidiary of the Company. These events being non-adjusting events, no adjustments were made in the financial statements for the financial year 2025-26.
40. The Ministry of Environment, Forest and Climate Change has notified the Environment Protection (End-of-Life Vehicles) Rules, 2025 ("ELV Rules") effective 01 April, 2025, imposing Extended Producer Responsibility (EPR) on vehicle manufacturers for scrapping old vehicles and such obligations are to be fulfilled through the purchase of EPR certificates from registered Vehicle Scrapping Facilities via a Centralised Online Portal. As per best estimates, the Company has recognised a provision of ₹ 260 lakhs in the financial statements for the year ended 31 March, 2026. However, the implementation details and operational procedures of the ELV rules including the modalities of the pricing mechanism for the EPR certificates are yet to be developed.

41. FINANCIAL RISK MANAGEMENT

Financial Risk Management Policy and Objectives

The Company's principal financial liabilities comprise of Borrowings, Trade and Other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include Trade and Other receivables and Cash and Cash equivalents, which are derived directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk.

The management of these risks is overseen by the senior management, which is advised by a team of senior officials. The Risk Management team oversees the policies and systems, on a regular basis to reflect changes in market conditions and Company's activities and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

The Board of Directors reviews and agrees policies for managing each of these risks, which is summarised below:

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and Cash equivalents, Trade Receivables, Financial Assets measured at amortised cost	Ageing analysis Credit ratings [Refer Note 41(a)]	Diversification of Credit Limits and Letters of Credit, Sales on cash basis and against securities.
Liquidity risk	Borrowings and Other Financial Liabilities	Cash flow forecasts [Refer Note 41(b)]	Availability of committed credit lines and borrowing facilities
Market risk – foreign exchange	Recognised Financial Assets and Liabilities not denominated in Indian Rupee	Cash flow forecasting Sensitivity analysis [Refer Note 42]	Company's net forex exposure is covered by natural hedge
Market risk – interest rate	Loans and advances on Cash Credit Account, Term Loan from Bank and NCD.	Cash flow forecasting & Sensitivity analysis	Company uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements

Independent Auditors' Report

To the Members of Force Motors Limited

Report on the Audit of Consolidated Financial Statements

OPINION

We have audited the accompanying consolidated financial statements of Force Motors Limited (hereinafter referred to as the "Holding Company") and its subsidiary (Holding Company and its subsidiary together referred to as "the Group"), and a joint venture, which comprise the consolidated balance sheet as at March 31, 2026, the consolidated statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the consolidated financial statements, including material accounting policies and other explanatory information (hereinafter referred to as "**the consolidated financial statements**").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of the other auditors on separate financial statements and financial information of such subsidiary and joint venture as were audited by the other auditors the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("**the Act**") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with

the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at March 31, 2026, the consolidated profit and total comprehensive income, changes in equity and its consolidated cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and the joint venture in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained along with the consideration of reports of the other auditors referred to in paragraph (a) of the "Other Matters" section below is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment and based on the consideration of reports of other auditors on separate/ consolidated financial statements of components audited by them were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr. No.	Key Audit Matter	How our audit addressed the key audit matter
1.	Contingent Liability The Company has in duties and taxes litigations that are pending with various tax authorities. Whether a liability is recognised or disclosed as a contingent liability in the financial statements is inherently judgmental and dependent on assumptions and assessments. We placed specific focus on the judgements in respect to these demands against the Company. Determining the amount, if any, to be recognised or disclosed in the financial statements, is inherently subjective. Therefore, it is considered to be a key audit matter. (Refer Note 32(a) to consolidated financial statements)	Our procedures included, but were not limited to, the following: - Obtained an understanding from the management with respect to process and controls followed by the Company for identification and monitoring of significant developments in relation to the litigations, including completeness thereof. - Obtained the list of litigations from the management and reviewed their assessment of the likelihood of outflow of economic resources being probable, possible or remote in respect of the litigations. - Assessed management's discussions held with their legal consultants and understanding precedents in similar cases;
2.	Intangible assets Product development costs incurred on new vehicle platforms; engines are recognised as intangible assets only when technical feasibility has been established. The costs capitalised during the year include technical know-how expenses, materials, direct Labour, inspecting and testing charges, designing and other direct expenses incurred on respective projects, up to the date the intangible asset is capitalised.	Our audit approach consisted evaluation of design and implementation of controls, and testing the operating effectiveness around initiation of capitalisation of the product development cost including management's validation of relevant data elements and benchmarking the assumptions; The audit procedures included: Obtained the list of approved project wise details and verify the completeness and accuracy of cost data with respect to various system generated reports.

Independent Auditors' Report (Contd.)

Sr. No.	Key Audit Matter	How our audit addressed the key audit matter
	The capitalisation of product development cost is considered to be a key audit matter given that the assessment of the capitalisation criteria set out in Ind AS 38 Intangible Assets is made at an early stage of product development and there are inherent challenges with accurately predicting the future economic benefit, which must be assessed as probable for capitalisation to commence. (Refer Note 2{g} and Note 5 of the consolidated financial statements)	- Inspected the respective approvals for initiation of capitalisation including government approvals where applicable; - Reviewed the cost allocation for the year and determined that costs capitalised are directly attributable. - Tested on sample basis costs incurred towards projects i.e. in respect of manpower cost, we verified hours booked on respective projects, hourly rates for respective persons and sample vouchers / invoices for directly attributable expenses. - We reviewed judgments used by the Management for expected probable economic benefits and associated expenditures, and their assessment of feasibility of the projects, including appropriateness of past / present useful life applied in calculation of amortisation. - After carrying out above audit procedures, we concluded that relevant criteria for capitalisation have been met.

INFORMATION OTHER THAN THE CONSOLIDATED FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Holding Company's Management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the annual report but does not include the financial statements and the auditor's report thereon. The annual report is expected to be made available to us after the date of this audit report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

MANAGEMENT'S AND BOARD OF DIRECTORS RESPONSIBILITIES FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated state of affairs, consolidated profit/loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group including its joint venture in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Management and Board of Directors of the companies included in the Group and

joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the companies included in the Group and joint venture are responsible for assessing the ability of Group and joint venture to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Management and Board of Directors of the companies included in the Group and of its joint venture are responsible for overseeing the financial reporting process of the Group and its joint venture.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

Independent Auditors' Report (Contd.)

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by Management and Board of Directors.
- Conclude on the appropriateness of Management's and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its Joint Venture to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial statements/financial information of the entities or business activities within the Group and its joint venture to express an opinion on the consolidated financial statements. We are responsible for the

direction, supervision and performance of the audit of the financial statements/financial information of such entities included in the consolidated financial statements. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in the section titled "Other Matters" in this audit report.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance of the Holding Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance the Holding Company with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance the Holding Company, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

OTHER MATTERS

We did not audit the financial statements and other financial information, in respect of a subsidiary, whose financial statements include total assets (before consolidation adjustments) of ₹ 731.54 Lakhs as at March 31, 2026, and total revenue (before consolidation adjustments) of ₹ 50.82

Independent Auditors' Report (Contd.)

Lakhs and net cash inflows (before consolidation adjustments) amounting to ₹ 38.14 lakhs for the year ended on that date respectively, as considered in the consolidated financial statements. These financial statements and other financial information have been audited by other auditors which have been furnished to us by the management. The consolidated financial statements also include the Group's share of net profit (including other comprehensive income) of ₹ 15.83 for the year ended March 31, 2026, as considered in the consolidated financial statements, in respect of a joint venture. These financial statements and other financial information have been audited by other auditors which have been furnished to us by the management. Our opinion, in so far as it relates to the affairs of such subsidiary and joint venture is based solely on the report of other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. A. As required by Section 143(3) of the Act, based on our audit and on the consideration of the report of the other auditor on separate financial statement and the other financial information of subsidiary company and joint venture incorporated in India as were audited by other auditors, referred in the Other Matters paragraph above we report, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c) The consolidated balance sheet, the consolidated statement of profit and loss including other comprehensive income, consolidated statement of changes in equity and the consolidated statement of cash flow dealt with by this Report are in agreement

with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

- d) In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Holding Company for the year ended March 31, 2026 taken on record by the Board of Directors of the holding Company and the reports of the statutory auditors of its subsidiary company and joint venture company incorporated in India, none of the directors of the Group and joint venture companies incorporated in India is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with respect to financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure A", which is based on auditors' reports of the Company, subsidiary company and joint venture incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of internal financial controls over financial reporting of the Holding Company and subsidiary company incorporated in India.

B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiary and joint ventures as noted in the "Other Matters" paragraph:

- i. The consolidated financial statements disclose impact of pending litigations on the consolidated financial position of the Group – Refer Note 32(a) to the consolidated financial statements during the year ended 31 March 2026

were any material foreseeable losses during the year 31 March 2026.

- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, its subsidiary and joint venture incorporated in India. - Refer Note 45 to consolidated financial statements during the year ended 31 March 2026.
- iv. With respect to clause (e) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended:
 - a. The Management of the Holding Company has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - b. The Management of the Holding Company has represented, that, to the best of its knowledge and belief, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- c. Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused us believe that the representations under sub-clause (a) and (b) contain any material mis-statement.

- v. The final dividend paid by the Holding Company during the year in respect for the previous year is in accordance with Section 123 of the Companies Act 2013 to the extent it applies to payment of dividend.

As stated in Note 48 to the consolidated financial statements, the Board of Directors of the Holding Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act to the extent it applies to declaration of dividend.

- vi. With respect to clause (g) of Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, the requirement under proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 of mandatory audit trail in the Company accounting software, based on our examination which included test checks and that performed by the respective auditors of the subsidiary and joint venture which are companies incorporated in India whose financial statements have been audited under the Act, the company, subsidiary and joint ventures have used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit, we and respective auditors of the above referred subsidiaries, associates and joint ventures/joint operations did not come across any instance of audit trail feature being tampered with. Additionally, the audit trail has been preserved by the Company as per the statutory requirements for record retention

Independent Auditors' Report (Contd.)

2. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

3. With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO reports issued by us for the Company and entities included in the consolidated financial statements of the Company, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports.

Annexure A to the Independent Auditor's Report on the consolidated financial statements of Force Motors Limited for the year ended 31 March 2026

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Force Motors Limited of even date)

Report on the Internal Financial Controls with reference to the aforesaid consolidated financial statements under Clause (i) of Sub- section 3 of Section 143 of the Companies Act, 2013 ("the Act")

OPINION

In conjunction with our audit of the consolidated financial statements of the Force Motors Limited (hereinafter referred to as "the Holding Company") as of and for the year ended March 31, 2026, we have audited the internal financial controls with reference to financial statements of the Holding Company and such companies incorporated in India under the Act which is its subsidiary company and Joint Venture, as of that date.

In our opinion and based on the consideration of reports of the other auditors on internal financial controls with reference to financial statements/ financial information of subsidiary company, and, joint venture company as were audited by the other auditors, the Holding Company and such companies incorporated in India which is its subsidiary company and its joint venture companies have, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by such companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

MANAGEMENT'S AND BOARD OF DIRECTORS' RESPONSIBILITIES FOR INTERNAL FINANCIAL CONTROLS

The Management and Board of Directors of the Company, its subsidiary company and Joint Venture, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of

India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the relevant subsidiary company and joint venture in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal

ANNEXURE 'A' (Contd.)

financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OTHER MATTERS

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated financial statements of the Holding Company, insofar as subsidiary company and joint venture, which are companies incorporated in India, is based on the corresponding reports of the auditors of such subsidiary and joint venture incorporated in India.

Our opinion is not modified in respect of these matters.

It is a joint venture between Force Motors Limited and Rolls-Royce Solutions GmbH. The Company is in the business of manufacturing Engines & Generator sets.

2. MATERIAL ACCOUNTING POLICY INFORMATION

(a) Statement of Compliance

The financial statements of the Company comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 ("the Act") [the Companies (Indian Accounting Standards) Rules, 2015], as amended from time to time and other relevant provisions of the Act.

(b) Basis of Preparation

The financial statements have been prepared on the historical cost basis, except certain financial instruments and defined benefit plans, which are measured at fair values.

These financial statements have been prepared on a Going Concern basis.

All assets and liabilities, other than deferred tax assets and liabilities, have been classified as current or non-current as per the Company's normal operating cycle being 12 months and other criteria set out in the Schedule III (Division II) to the Act.

These financial statements are presented in Indian Rupees, which is the Group's functional currency. All amounts

disclosed in the financial statements and notes have been rounded off to nearest lakhs, unless otherwise stated.

(c) Basis of Consolidation

The consolidated financial statements incorporate the financial statements of the Company, its subsidiary and Joint Venture, being the entities that it controls. Control is evidenced where the Group has power over the investee or is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to effect those returns through its power over the investee. Power is demonstrated through existing rights that give the ability to direct relevant activities, which significantly affect the entity returns.

The consolidated financial statements include results of the subsidiary company, consolidated in accordance with Ind AS 110 (Consolidated Financial Statements) and Ind AS 28 (Investment in Associates and Joint Ventures).

Joint Venture

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the arrangement. The results, assets and liabilities of a joint venture are incorporated in these financial statements using the equity method of accounting in accordance with Ind AS 28 (Investment in Associate and Joint Venture).

(d) Revenue Recognition

(i) Sales

Revenue towards satisfaction of performance obligation is measured at transaction price. Amounts disclosed as revenue are net of Taxes, Returns, Discounts, Rebates and Incentives. The Group recognises revenue when it has transferred to the buyer the significant risks and rewards associated with the ownership of goods no significant performance obligation is pending and the amount of revenue can be reliably measured and it is probable that future economic benefits will flow to the Group.

Trade Receivables that do not contain a significant financing component are measured at transaction price.

(ii) Other Incomes

Other incomes are recognised when it is probable that the economic benefit will flow to the Group and the amount of income can be measured reliably.

(iii) Cost Recognition

Costs and expenses are recognised when incurred and are classified according to their nature. Expenditure are capitalised where appropriate internally generated capital items (tangible and intangible assets) and various product development projects undertaken by the Company, for the introduction of new products and development of Engines and Existing product variants.

Notes to Consolidated Financial Statements (Contd.)

for the year ended 31 March 2026

(e) Inventories

Inventories are valued at lower of their cost or net realisable value. The cost of raw materials, stores and consumables is measured on moving weighted average basis.

Inventories comprise all costs of purchase, conversion and other costs incurred in bringing the inventories to their present location and condition.

Raw materials and bought out components are valued at the lower of cost or net realisable value. Cost is determined on the basis of the weighted average method.

Finished Goods and work-in-progress are carried at cost or net realisable value, whichever is lower.

Stores, spares and tools other than obsolete and slow moving items are carried at cost. Obsolete and slow moving items are valued at cost or estimated net realisable value, whichever is lower.

(f) Property, Plant and Equipment

Property, plant and equipment, except land, are carried at historical cost of acquisition, construction or manufacturing cost, as the case may be, less accumulated depreciation and amortisation. Freehold land is carried at cost of acquisition.

Cost represents all expenses directly attributable to bringing the asset to its working condition capable of operating in the manner intended.

Costs incurred to manufacture property, plant and equipment and intangibles are reduced from the total expense under the head 'Expenditure included in above items capitalised' in the Statement of Profit and Loss.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at regular intervals and adjusted prospectively, if appropriate.

(g) Intangible Assets

Intangible Assets acquired are stated at acquisition cost, less accumulated amortisation and impaired losses, if any.

Intangible Assets internally generated:

Expenditure incurred by the Group on development of know-how researched, is recognised as an intangible asset, only if the future economic benefits attributable to the use of such know-how are probable to flow to the Group and the costs/expenditure can be measured reliably.

(h) Investment Property

Investment property is measured at cost less accumulated depreciation.

(i) Impairment of assets

Assets are tested periodically for impairment. Impairment is carried out whenever events or changes in circumstances indicate that the carrying amount may not be recoverable.

(j) Depreciation & Amortisation

(i) Property, Plant and Equipment

- The Depreciation on Property, Plant and Equipment is provided on straight-line method and as per Schedule-II to the Companies Act, 2013.
- Leasehold land is amortised over the period of lease.

(ii) Investment Property

The Depreciation on Investment Property is provided on straight-line method and as per Schedule-II to the Companies Act, 2013.

(iii) Intangible Assets

- Software and their implementation costs are written off over the period of 5 years.
- Technical Know-how acquired and internally generated is amortised over the useful life of the assets, not exceeding 10 years.

(k) Borrowing Costs

Cost of borrowings incurred for acquisition, construction or production of qualifying asset is capitalised.

(l) Research and Development Expenses

Revenue expenditure on Research and Development is charged off as an expense in the year in which it is incurred and capital expenditure is grouped with Assets under appropriate heads and depreciation is provided as per rates applicable.

(m) Leases

(i) Where the Group is the Lessee

- The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.
- The right-of-use asset is subsequently depreciated using the straight-line method over the useful life of the right-of-use asset or the end of the lease term.

Short-term leases and leases of low-value assets

- The Group has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or

Notes to Consolidated Financial Statements (Contd.)

for the year ended 31 March 2026

less and leases of low-value assets. The Group recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

(ii) Where the Group is the Lessor

Lease rentals are recognised in the Statement of Profit and Loss. Costs, including depreciation, are recognised as an expense in the Statement of Profit and Loss.

(n) Investment in Subsidiary and Joint Venture

The Company has elected to recognise its investments in Subsidiary and Joint Venture at cost in accordance with the option available in Ind AS 27, 'Separate Financial Statements'.

(o) Cash and Cash Equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and cash on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

(p) Earnings per Share

Basic earnings per share are computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the period.

(q) Foreign currency transactions

Transactions and balances

- (i) Foreign Currency transactions are recorded at the rate of exchange on the date of the transaction.
- (ii) Monetary items of Assets and Liabilities booked in foreign currency are translated in to rupee at the exchange rate prevailing at the Balance Sheet date.
- (iii) Exchange difference resulting from settlement of such transaction and from translation of monetary items of Assets and Liabilities are recognised in the Statement of Profit and Loss.
- (iv) Exchange difference arising on translation of foreign currency liabilities for acquisition of Property, Plant and Equipments are adjusted to the Statement of Profit and Loss.
- (v) The date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income (or part of it) is the date on which an entity initially recognises the non-monetary asset or non-monetary liability arising from the payment or receipt of advance.

(r) Functional and presentation currency

These financial statements are presented in Indian Rupees, which is the Group's functional currency. All amounts disclosed in the financial statements and notes have been rounded off to nearest lakhs, unless otherwise stated.

(s) Employee Benefits

Defined benefit plans

- (i) The accruing liability of Gratuity is covered by Employees Group Gratuity Scheme of Life Insurance Corporation of India (LIC) and the premium is accounted for in the year of accrual. The additional liability, if any, due to deficit in the Plan assets managed by LIC as compared to the present value of accrued liability on the basis of actuarial valuation, is recognised and provided for.
- (ii) Provident fund contributions are made to Group's Provident Fund Trust. The contributions are accounted for as defined benefit plans and are recognised as employee benefits expense when they are due. Deficits, if any, of the fund as compared to liability on the basis of an independent actuarial valuation is to be additionally contributed by the Group.
- (iii) Current service cost and net interest on defined benefit obligation are directly recognised in the Statement of Profit and Loss.
- (iv) Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Defined contribution plans

- (i) The Group's superannuation scheme is a defined contribution plan. The contributions are recognised as employee benefit expenses when they are due.
- (ii) Benefits in respect of compensated absence payable after 12 months are provided for, based on valuation, as at the Balance Sheet date, made by independent actuaries.
- (iii) Defined contribution to Employees Pension Scheme 1995 is made to Government Provident Fund Authority and recognised as expense as and when due.

The accounting of employee benefit plans in the nature of defined benefit requires the company to use assumptions. These assumptions have been explained under employee benefits note. (Refer Notes 25 & 29 (b))

(t) Hire Purchase

The Group follows Equated Balance Method for the implicit rate for accounting the income from Hire Purchase. Directions and guidelines issued by the Reserve Bank of India in respect of income recognition, asset classification and provision for bad and doubtful debts have been followed.

(u) Taxation

Current tax is determined as the amount of tax payable in respect of taxable income for the year. The Group's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Notes to Consolidated Financial Statements (Contd.)

for the year ended 31 March 2026

Deferred tax is recognised on temporary differences between the tax base of assets and liabilities and their carrying amount in the financial statements. Deferred tax liabilities are recognised for all deductible temporary differences. Deferred tax assets are recognised to the extent it is probable that future taxable income will be available against which the deductible temporary differences could be utilised. Deferred tax is determined using tax rates that have been enacted or substantively enacted by the end of the reporting period.

Current and deferred taxes are recognised in profit or loss, except to the extent that it relate to the items that are recognised in other comprehensive income or directly in equity, in this case, the current and deferred taxes are also recognised in other comprehensive income or directly in equity respectively.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Group will pay normal income tax against which the MAT paid will be adjusted.

The impact on account of adoption of New Income Tax regime has been explained under Note 8 to the Financial Statements.

(v) Provisions and Contingent Liabilities

(i) Provision

A provision is recorded when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reasonably estimated.

Provision is made for estimated warranty claims in respect of products sold which are still under warranty at the end of the reporting period. These claims are expected to be settled as and when warranty claims will arise. Management estimates the provision based on historical warranty claim information and any recent trends that may suggest future claims could differ from historical amounts.

(ii) Contingent liability

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources or liabilities, which are frivolous claims, but required disclosure, are disclosed considering the relevant Accounting Standards.

(w) Incentives

Incentives are considered / recorded as income on the basis of sanction order received from the Government Authority.

(x) Financial instruments

Equity investments at fair value through other comprehensive income

These include financial assets that are equity instruments and are irrevocably designated as such upon initial recognition. Subsequently, these are measured at fair value and changes therein are recognised directly in other comprehensive income, net of applicable income taxes.

Dividends from these equity investments are recognised in the Statement of Profit and Loss, when the right to receive payment has been established. When the equity investment is derecognised, the cumulative gain or loss in equity is transferred to retained earnings.

(y) Fair value measurement

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities based on the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as;

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

(z) Use of estimates and judgements

The preparation of consolidated financial statements in conformity with the recognition and measurement principles of Ind AS requires management of the Company to make estimates and judgements that affect the reported balances of assets and liabilities, disclosures of contingent liabilities as at the date of consolidated financial statements and the reported amounts of income and expenses for the periods presented.

Notes to Consolidated Financial Statements (Contd.)

for the year ended 31 March 2026

Detailed information about accounting judgements, estimates and assumption is included in the relevant notes.

- (i) Estimation of defined benefit obligation – refer Note 38.
- (ii) Estimation of provision for warranty claims – refer Note 18.
- (iii) Estimated useful life and residual value of property, plant and equipments - refer Note 2(j)(i) above.
- (iv) Estimated useful life of intangible assets- refer Note 2(j) (iii) above.
- (v) Estimation of provision for Tax expenses - refer Note 2 (u) above.

Estimation and underlying assumptions are reviewed on an on-going basis. Revisions to estimates are recognised prospectively.

(aa) Recent accounting pronouncements

The Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

The MCA notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates; Ind AS 7 - Statement of Cash Flows, Ind AS 107 - Financial Instruments: Disclosures and Ind AS 12 - International Tax Reform, applicable w.e.f. 1 April 2025. The Company has reviewed these amendments and based on its evaluation has determined that it does not have any significant impact in the financial statements.

The Group has opted to shift to new tax regime from the Financial Year 2025-26 u/s 115BAA of the Income tax Act, 1961. Consequent to such change, the Group has written-off a MAT credit entitlement of ₹559 lakhs and also reversed the Deferred tax liability of ₹9,105 lakhs on account of lower tax rate, by recognising the same under Tax Expense in Profit and Loss account.

The deferred tax liability on taxable temporary difference relating to investment in subsidiary is not provided since the Group is able to control the timing of the reversal of temporary differences and it is probable that the temporary difference will not reverse in the foreseeable future. The deferred tax liability of ₹100 Lakhs (31 March 2025: ₹130 Lakhs) has not been recognised.

- (c) The Company has initiated arbitration proceedings, against an entity, in relation to an agreement relating to transfer of technology. In the said arbitration, the Company has claimed various reliefs. The Respondent therein has also claimed various reliefs, by way of a counterclaim. The Company denies each and every allegation of such entity including but not limited to the counterclaim and the Company shall deal with/ defend the said allegations/counterclaim appropriately.

The Board of Directors is of the opinion that the said allegations/counterclaim of the entity can be successfully resisted by the Company.

This note/disclosure is made as a matter of caution and without prejudice to the rights of the Company or without the Company, in any way admitting the said allegations/counterclaim or any part thereof. The information, which is usually required to be disclosed, as per Ind AS 37 (Provisions, Contingent Liabilities and Contingent Assets) is not disclosed, as such disclosure may prejudice seriously, the outcome of the litigation (said arbitration proceedings).

33. DISCLOSURE AS PER THE REQUIREMENT OF SECTION 22 OF THE MICRO, SMALL AND MEDIUM ENTERPRISE DEVELOPMENT ACT, 2006

On the basis of information received as to the status as Micro, Small and Medium Enterprises, from suppliers of the Group along with a copy of the Memorandum filed by the said suppliers, as per the provisions of Section 8 of the Micro, Small and Medium Enterprises Development Act, 2006 (the Act), dues to Micro, Small and Medium Enterprises are as under:

Basis used to determine the overall expected return:

The net interest approach effectively assumes an expected rate of return on plan assets equal to the beginning of the year discount rate. Expected return of 6.70% has been used for the valuation purpose.

(g) Principal actuarial assumptions at the Balance Sheet date (expressed as weighted averages)

Gratuity	As at 31 March 2026	As at 31 March 2025
(i) Discount rate	7.20%	6.70%
(ii) Expected return on plan assets	6.70%	7.20%
(iii) Salary growth rate *	8.00%	8.00%
(iv) Attrition rate - for Bargainable Staff & others	10%	10%
(v) Attrition rate - Workers	2%	2%

* The estimates of future salary increase considered in actuarial valuation take into account inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Provident Fund	As at 31 March 2026	As at 31 March 2025
(i) Discount rate	7.20%	6.70%
(ii) Interest rate	8.25%	8.25%
(iii) Yield spread	0.50%	0.50%
(iv) Attrition rate - Bargainable Staff & others	10%	10%
(v) Attrition rate - Workers	2%	2%

Sensitivity analysis

Sensitivity analysis indicates the influence of a reasonable change in certain significant assumptions on the outcome of the Present Value of Obligation (PVO). Sensitivity analysis is done by varying (increasing/decreasing) one parameter by 50/100 basis points (0.50/1%).

39. FINANCIAL INSTRUMENTS - FAIR VALUES

Accounting classifications and fair values

The following table shows the carrying amounts and fair values of financial assets and financial liabilities with its classification.

	Carrying Value as at		Fair Value as at	
	31 March 2026	31 March 2025	31 March 2026	31 March 2025
Financial Assets				
(a) Fair value through Other Comprehensive Income (FVTOCI)				
Equity Investments	4,461	4,955	4,461	4,955
(b) Amortised cost				
i) Trade Receivables	19,115	17,434	19,115	17,434
ii) Loans	51	24	51	24
iii) Other Financial Assets	1,42,620	69,690	1,42,620	69,690
iv) Cash and cash equivalents	83,042	50,655	83,042	50,655
v) Other Bank Balances	117	86	117	86
Total	2,49,406	1,42,844	2,49,406	1,42,844
Financial Liabilities				
Amortised cost				
i) Non-current Borrowings	-	134	-	134
ii) Current Borrowing	-	1,609	-	1,609
iii) Trade Payable	1,04,032	78,359	1,04,032	78,359

Total	1,07,966	82,825	1,07,966	82,825

The following methods and assumptions were used to estimate the fair values:

The fair values of Trade Payables, Trade Receivables, Cash and Cash equivalents and other Bank Balances, are reasonable approximation of fair value due to the short-term maturities of these instruments.

Allowance for credit loss on Trade Receivables, is taken into account, on the basis of credit worthiness of the customer individual and the probability of recovery.

Fair value hierarchy and valuation techniques used

(a) Financial Assets and Liabilities measured at fair value

	Level	As at 31 March 2026	As at 31 March 2025
Financial Assets			
FVTOCI Investments - Quoted	Level 1	4,187	4,681
FVTOCI Investments - Unquoted	Level 3	274	274
Total		4,461	4,955

(b) Financial Assets and Liabilities measured at amortised cost for which fair value is disclosed

	Level	As at 31 March 2026	As at 31 March 2025
Financial assets measured at amortised cost			
Loans	Level 2	51	24
Other Financial Assets	Level 2	1,42,620	69,690
Total		1,42,671	69,714

Notes to Consolidated Financial Statements (Contd.)

for the year ended 31 March 2026

(All amounts in ₹ Lakhs, unless otherwise stated)

(c) Financial Liabilities measured at amortised cost

	Level	As at 31 March 2026	As at 31 March 2025
Non-current borrowings	Level 2	-	134
Current borrowings	Level 2	-	1,609
Other financial liabilities	Level 2	3,934	2,723
Total		3,934	4,466

The fair values disclosed in level 2 category are calculated using discounted cash flow method. These fair values reasonably approximate to the carrying values of financial assets and liabilities measured at amortised cost.

During the year ended 31 March 2026, there were no transfers between level 1 and level 2 fair value measurements and no transfers into and out of level 3 fair value measurement.

- 40.** The Company has acquired the entire equity shares of Veera Tanneries Private Limited (VTPL), a private limited company incorporated under the Companies Act, 1956, vide a Share Purchase Agreement by and between the Company, VTPL and the shareholders of VTPL on 23 April 2026 for a total consideration of ₹16,196 lakhs (Rupees Sixteen thousand one hundred ninety six lakhs). Pursuant to such acquisition, VTPL has now become a wholly owned subsidiary of the Company. These events being non-adjusting events, no adjustments were made in the financial statements for the financial year 2025-26.
- 41.** The Ministry of Environment, Forest and Climate Change has notified the Environment Protection (End-of-Life Vehicles) Rules, 2025 ("ELV Rules") effective 01 April 2025, imposing Extended Producer Responsibility (EPR) on vehicle manufacturers for scrapping old vehicles and such obligations are to be fulfilled through the purchase of EPR certificates from registered Vehicle Scrapping Facilities via a Centralised Online Portal. As per best estimates, the Company has recognised a provision of ₹260 lakhs in the financial statements for the year ended 31 March 2026. However, the implementation details and operational procedures of the ELV rules including the modalities of the pricing mechanism for the EPR certificates are yet to be developed.

42. FINANCIAL RISK MANAGEMENT

Financial Risk Management Policy and Objectives

The Group's principal financial liabilities comprise of Borrowings, Trade and Other payables. The main purpose of these financial liabilities is to finance the Group's operations. The Group's principal financial assets include Trade and Other receivables, Cash and Cash equivalents and Deposits, which are derived directly from its operations.

Group is exposed to market risk, credit risk and liquidity risk.

The management of these risks is overseen by the senior management, which is advised by a team of senior officials. The Risk Management team oversees the policies and systems, on a regular basis to reflect changes in market conditions and Group's activities and reviews the adequacy of the risk management framework in relation to the risks faced by the Group.

The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and Cash equivalents, Trade Receivables, Financial Assets measured at amortised cost.	Ageing analysis Credit ratings [Refer Note 42(a)]	Diversification of Credit Limits and Letters of Credit, Sales on cash basis and against securities.
Liquidity risk	Borrowings and Other Financial Liabilities	Cash flow forecasts [Refer Note 42(b)]	Availability of committed credit lines and borrowing facilities.
Market risk – foreign exchange	Recognised Financial Assets and Liabilities not denominated in Indian Rupee	Cash flow forecasting Sensitivity analysis [Refer Note 43]	Group's net forex exposure is covered by natural hedge.
Market risk – interest rate	Loans and Advances on Cash Credit Account, Term Loan from Bank and NCD.	Cash flow forecasting & Sensitivity analysis	Group uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements

Notes to Consolidated Financial Statements (Contd.)

for the year ended 31 March 2026

(All amounts in ₹ Lakhs, unless otherwise stated)

Risk	Exposure arising from	Measurement	Management
	As the borrowings were at fixed rate of interest, the Company is not exposed to interest rate risk, except the changes linked to Repo, MCLR, SOFR rates, etc.		
Market risk – equity prices	Investments in Equity Securities	Sensitivity analysis [Refer Note 42 (c)]	Portfolio diversification. The overall exposure is not material.
Commodity risk	Procurement of steel and other metals.	Budgeted consumption & its impact on finished product.	A well controlled review process is in place for analysing the price trend and market intelligence and accordingly the procurement strategy is adopted. The overall exposure is not material.

(a) Credit Risk

The table summarises ageing for Trade Receivable:

	Not due	Less than 1 year	More than 1 year	Total
